

ALMOST HIDDEN in the left background behind mounds of packages at the Antioch post office is Ollie Hughes, carrier on route 3. This was another indication of why the post office department has been stressing "mail early." Packages in the foreground might be either coming to Antioch or going out as this photo was taken about 9 a.m. Monday of this week. "Boxes" for route 2 are hidden behind the stacks of packages at the right. (Antioch News photo)

Lake Villa Church Pageant Scheduled at 7 on Sunday

LAKE VILLA — The annual Christmas pageant of the Lake Villa Community Methodist church will be presented at 7 p.m. on Sunday.

The pageant, titled "What Is This Thing Called Christmas?" by Ormal B. Trick, is being produced under the direction of Mrs. Gerald B. Robinson.

The first eight scenes of the pageant depict the part that Christmas trees, candles, greeting cards, gifts and other Christmas symbols play in the modern Christmas.

The last six scenes portray in story and song the nativity and its meaning today.

Narrations in verse will be done by Mrs. Bernard Knipple, with Harold Newyear as the questioning voice.

ACTORS FOR the modern Christmas scenes will include: Robert Smith, Alvin Pegg, Mrs. Alvin Pegg, Judith Rolin, Judith Schick, Cherie Flood, Diane Jahn, Susan Lindhorst, Kim Murphy.

Glen Bocox, Miss Linda Hollocker, Martin Roefler, Martin Roefler, Jr., Susanne Henry, Mari-Margaret Fischer, Mrs. Robert Rolin, Lea Vangolen, John Chmelir, and Marilyn Bennecke.

The cast for the Nativity scenes will be Gabriel, Miss Judith Zelbor; Mary, Mrs. Thomas Mellen; Cherubs, Robin Alfredson and Bobby Lloyd; Joseph, Thomas Mellen; Shepherds, Donald Wertz, Alan Oelkers, Robert Schick, and Robert Weber.

Angels, Ruth Austin, Lynn Chmelir, Joyce Greene and Darlene Shepherd; the three kings, John Romer, John Falgren and Jack Mahoney.

The Christian family will be Mr. and Mrs. Kenneth Rolin and their

children, Ken, Judy, Lynn and Randy.

Music will be provided by the Trinity, Wesley and Cherub choirs, accompanied by Miss Susan Romer at the organ, and Miss Lois Wagner at the piano.

THOSE ASSISTING Mrs. Robinson in the production are Mrs. John Chmelir, dramatic coach; Mrs. Richard Bolt, choral director; Mrs. John Miller and Mrs. Floyd Fahlgren, costumes; Mrs. Earl Brunar, properties; Luke Vangolen, staging; Roland Lyons, lighting; Mrs. Robert Rolin, program.

The welcome and benediction will be given by Rev. Gerald B. Robinson, pastor.

Ushers for the service will be Ermine Stone, Vern Blust, Harry Weber and Robert Henderson.

Immediately following the pageant the official board and the commission on education will sponsor an all-church Christmas party in the fellowship hall.

1,265 Population

LINDENHURST — Population of the village of Lindenhurst has been placed at 1,265, the Chicago office of the U. S. census bureau announced this week. This official total is the same as the unofficial figure listed a month ago.

Some Lindenhurst village leaders had predicted 1,300 as the population before the recent census was taken.

Record Christmas Business Told by Local Postmaster

State Fire Marshall's Suggestions At Grade School Now Completed

All 22 points suggested by the Illinois state fire marshal's office for changes or additions at Antioch grade school have been taken care of, the grade school board was told at its monthly session Tuesday evening.

Principal Richard Whitacre told the board of education that the work has been completed. Similar jobs were suggested in all Illinois schools following the tragic fire at a Chicago school a year ago.

A questionnaire from Lake county school superintendent W. C. Petty will be answered by the board through giving its views on some of the subjects covered.

The survey type of questionnaire covered education, costs, transportation and similar problems having to do with handicapped children.

A letter from Petty suggested that if enough schools in the county show interest, a meeting to discuss the matter might be held.

The Antioch board voted to become a charter member of the Lake County School Boards association and to pay a \$5 dues for the first year.

Mrs. Helen Kopriva was named as delegate to the association, with Ernest Westlund as alternate.

Fencing of part of the grade school property near the baseball diamonds on Williams St. was discussed, but no action was taken pending more suitable weather. The board indicated bids on the work would be asked by next spring.

A bid of \$273.89 for furnishing stage and gym tracks for the Oakland grade school curtains from Gilbert A. Force was accepted. This cost does not include installation.

It was decided to install a hot water pipe connection in the Antioch school building to a sink in a basement room.

Board members also learned of some troubles the school has been having with a new school bus.

Special Page to Tell The Christmas Story

The ANTIOCH NEWS next week in its Christmas edition will offer its readers something very different in the telling of the Christmas story.

It will occupy a full page in one of several sections being planned.

The cooperation of several Antioch and vicinity ministers and priests have made this special page possible. They preferred to remain anonymous as to their names.

We suggest that you watch for the Christmas edition which also will include many Christmas greetings as well as regular advertisements from your friends and neighbors—businessmen of this community.

We believe you will enjoy what you read.

Thirty years ago U. S. ranchers and farmers produced only enough cattle to provide 50 pounds of beef per person in a year—less than a pound a week. Now U. S. cattlemen supply enough beef to provide 80 pounds per person.

Hi School Board Eyes Problems

Discussion of a modified shift program for Antioch Township high school students in the 1960-61 school year was expected to be a highlight of the monthly meeting of the high school board this week Wednesday evening.

With an even larger enrollment expected for next school year as compared to the present one, it is believed that a modified shift will be necessary.

One result of a modified shift program, principal A. L. Dittman said, would be to extend the school day and thus secure more classrooms for assignments of students to classes.

Details of such a program were to be discussed along with further ideas on what the school district should do regarding a new addition to the present building, an entirely separate structure, or just what can be done.

The high school board had planned to meet Dec. 30 with state education leaders but when this date did not prove suitable, another will be set.

The state men would inspect the local building and possibilities during the day of their visit at ATHS and meet with the school board later.

One of the factors to be considered by these state education experts is whether only additional classrooms will be needed in any new addition or separate structure, or whether adjustments would be needed in the present setup.

Actually, the high school board has never formally approved an addition to the present building, although the matter has been discussed.

A school board-teacher committee has been working on a salary program for the 1960-61 school year and may have had something to report Wednesday night.

Another committee is scheduled for Jan. 6 and a formal report on its findings is expected on Jan. 20.

Members are Roger Prossie, chairman; Bill Brook and Dr. R. A. Ripley from the school board, and teachers Mrs. Fern Tate, Kenneth Smouse and John Gudgel.

Principal Dittman and school board chairman Bob Denman are ex-officio committee members.

Fall Claims 4-Year-Old

Gary Todd Meierdick, 4-year-old son of Elmer W. and Doris Meierdick of Channel Lake, died Tuesday evening at Victory Memorial hospital in Waukegan following a fall down the basement steps at his home earlier.

The boy was born in Waukegan on Aug. 16, 1955.

His father, Elmer, operates Elmer's Shell service station at Channel Lake, on highway 173.

Surviving in addition to the parents are two brothers, Wayne and Larry, and a sister, Cindy, all of Channel Lake; the paternal grandparents, Arthur and Mable Meierdick of Lake Marie, Antioch, and the maternal grandparents, Emil and Agda Frozeth of Channel Lake.

Funeral services will be held at 1:30 p.m. Friday at the Antioch Methodist church with Rev. Wallace Anderson, pastor, officiating. Interment will be in Liberty cemetery.

Friends may call after 1:30 p.m. Thursday at Strang funeral home, Antioch. The body will lie in state at the church Friday from 12:30 p.m. to the time of the service.

Early Copy, Please

Please mail, bring or phone your news items to the Antioch News and the Lake Region News by Monday for next week's paper.

Correspondents are reminded that the papers will be printed earlier due to the Christmas holiday. News copy should be in the Antioch office or at Trevor (for Lake Region News) Monday morning, if possible.

The Antioch News will come out on Tuesday, Dec. 22, and the Lake Region News, also published by Gaston Printing Co., on Wednesday, Dec. 23.

Advertising copy, both display and classified, also should be in early to be sure of making the two papers.

Kufalk Praises Cooperation Of Postal Patrons

Antioch's post office is having its busiest Christmas season ever, postmaster Roy Kufalk said Wednesday.

All indications Wednesday were that 1959 would be bigger than in 1958 and would top all other years in the local post office's history in volume of cancellations and stamp sales.

Kufalk congratulated local post office patrons for tying together letters being sent to the same city and/or postal zone. He said the response to this post office request has been excellent.

BY TIEING together all letters going to a particular city, village, town or postal zone, patrons help much in the sorting of mail for delivery, speeding it up at the same time.

There were 30,000 cancellations on the local post office's machine at the close of the day Tuesday. These were mostly letters as packages often are "cancelled" by hand due to their size.

No estimate could be made of the number of packages cancelled. However, it was reported that stamp sales are higher than in past years, which would indicate a greater volume of letters and packages than ever.

Kufalk when asked whether 30,000 cancellations in one day would be the high for the 1959 Christmas season, said it would depend on whether people had responded as the post office had asked, to "mail early."

IF PEOPLE were waiting, or at least most people were waiting, then the volume might reach 40,000 cancellations in a day before Christmas day, Dec. 25.

Otherwise, this 30,000 figure could be the peak.

Postal authorities in Washington, D. C., have estimated that the current Christmas mail on a nationwide basis will be the highest on record both for greeting cards and parcels, Kufalk reported.

The local post office as will others in the country, plans to deliver all Christmas mail prior to Christmas day as it has for the past several seasons, Kufalk continued.

He once again urged "mail early" and often.

Church Cantata Slated Sunday

SILVER LAKE, Wis.—"The Birth of Christ," a Christmas cantata, will be presented in the Silver Lake Community Baptist church at 7:30 p.m. Sunday, Dec. 20, by the church choir.

Members of the choir are Mrs. George Colbert, Mrs. Fred Rudy, Mrs. Lawrence Swart, Mrs. Don Chapman, Mrs. Panknin, Mrs. James Thomson, Mrs. Ira Perry, Miss Gladys Broening, Miss Shirley Johnson, Miss Janeen Williams, Miss Winnie Lemke, Miss Carol Hockney.

Others are Miss Janet Schmalfeldt, Miss Dorothy Robicek, Miss Joyce Heagle, Miss Betty Owen, George Teabake, Edwin Lemke, Fred Schmalfeldt, Jack Berry, Harold Callow, Donald Schick, Ira Perry, Enoch Brice and Rev. Williams. Director of the church choir is Mrs. Gladys Schmalfeldt.

Ceremony Planned

LAKE VILLA—A flag and banner will be presented to the Lake Villa grade school band at 3 p.m. Sunday, Dec. 20, by the Lake Villa VFW post auxiliary.

A Christmas party was sponsored by the auxiliary this week Wednesday evening for children of VFW members, fire department and rescue squad members.

"Let's Keep The Tree Lights Shining"

It is said that "it takes all kinds of people to make this world" and that must be the only explanation, if one is possible, of the theft of Christmas tree light bulbs from Antioch's municipal tree.

The Chamber of Commerce reports that it has lost some 200 bulbs at a cost of around \$28 since the tree was erected on the grounds of the fire station-rescue squad building earlier this month.

Certainly there is no one so low as to steal lights for his own home, particularly when the cost of them is so low and they can be purchased from so many stores without trouble.

The cost of them (\$28) while amounting to something, is not so important a loss as what one would call the "principle of the thing."

It is a community Christmas tree, attracting many people to Antioch who may be traveling through the village, and certainly it is giving "light" to the spirit of the season.

The tree bulbs are very pretty to see and the more there are on the Christmas tree, the prettier the scene is. Certainly, any home at Christmas would be a sad sight without a Christmas tree well covered with colored bulbs.

Let's keep the spirit of Christmas going.

Let's make the colored light bulbs shine brightly to help guide Santa Claus to Antioch.

Keep the Christmas tree lights shining, wherever they may be.

DOING THEIR PART. Two members of the Antioch Post office staff are shown "snowed under" with bundles, letters and other mail awaiting delivery in or near Antioch or on rural routes. Ray Johnson (left), a substitute on route 2, and Jim Bruski, regular carrier on that route, took a moment off Monday morning to help show why post office authorities were urging "mail early." Part of Ollie Hughes' route 3 mail is shown at the left of the jacket and cap. This photograph taken before 9 a.m. Monday shows what a pile of packages were in post office carriers to take out on rural routes and/or city delivery. (Antioch News photo)

DEAR READER News Editorials

Were They Fair? What Do You Think?

Last week the Board of Supervisors of Lake County, due to expert testimony, denied a petition for rezoning that would have meant much needed additional burial space. The petition called for the issuance of a special permit which would allow the property located on the northeast corner of 59A and Beach Grove Rd. to be used for a park type cemetery.

The petition also called for a 40 foot buffer between this tract and the adjoining subdivision. The cemetery would contain 300 to 400 plots per acre, to be surrounded by hedges, and to be maintained by perpetual care.

The board based their denial on two points, the volume of opposition and the expert testimony given that property values in the area would depreciate from 20 to 55%.

Considering point number one, we must agree that everyone has the inherent right to judge whether or not they wish to reside adjacent to a development of this type. We would also be the last to find fault or criticize that judgment, regardless of what the individual decision might be.

It does not however, seem quite cricket when 75% of the objections came from property owners whose land was so situated or far removed from the proposed site that they could not possibly have viewed the cemetery from their own lots.

Then there's the matter of property depreciation. Real estate appraisers estimated it at 20 to 55%. Yet one of the few pieces of property adjacent to a cemetery and sold in recent months was sold for considerably more than the average real estate valuation of this area.

Besides this fact, the Regional Planning Commission reported that "research has disclosed that cemeteries are neither detrimental to residential development nor do they adversely affect property value when they are well designed and properly maintained."

It was also the Planning Commission recommendation that the petition be approved.

If all the complaints had been sincere and from people who honestly had something to lose, if the information about property depreciation had been fact and not an estimate then the board would have made the right decision and the rights of the people served and protected.

In this case however it seems that a little more investigation and time for thought might have better served the purpose.

Competition Has Its Place — But

Years ago there was a saying that went something like "One's company, two's a crowd, three on a sidewalk not allowed."

Be that as it may, there are times in this day of ours when organizations, communities, businesses and people like you and me have to band together to put over a project, or a new church, or a new business or something else that will benefit the community.

There has been and always will be competition between businesses and individuals and communities and organizations.

That is good for everyone concerned. It should be encouraged for without competition there is no incentive to do better.

On the other hand, to put over an enterprise that requires organizations, businesses and communities to put it over, Cooperation with a big C is needed.

Such is the situation with a community newspaper.

A newspaper that covers many towns needs the cooperation of everyone in each of those towns or rural districts.

That applies to advertisers, news sources, subscribers—everybody.

A combination of all three of these groups will put over a newspaper in any community. Such coordination is needed in every community or group of communities.

Without all three working together in each community and each community doing its share as a whole, a newspaper enterprise may fail.

Advertising supplies all but a few per cent of the revenue that a newspaper needs to continue in business.

Circulation is required in large numbers to help the advertisers sell their products or services.

News coverage is necessary to inform the advertisers, other subscribers and others who may read the newspaper.

We are doing our part—will you do yours?

John A. Wells
Army Recruit John A. Wells, son of Mr. and Mrs. Gordon T. Wells, Route 2, Antioch, recently completed the lineman's course at the Southeastern Signal school, Fort Gordon, Ga.

During the eight-week course Wells was trained to install and maintain aerial communication wires and cables.

He entered the army last July and completed basic training at Fort Leonard Wood, Mo. The 23-year-old soldier is a 1954 graduate of Antioch High school.

Before entering the army, he was employed by the Warwick Manufacturing Co., in Zion.

ATHS Students Semi-Finalists In Big Contest

SPRINGFIELD—Names of high school students in Antioch and vicinity who are semi-finalists in the selection of the 1960 Illinois college scholarship award winners were announced this week by Gov. William G. Stratton.

The list of 4,438 names, including those from Antioch and nearby, was narrowed from the original 20,874 who applied by taking the scholarship examination in November 1959.

Under the Illinois program, deserving high school graduates will receive up to \$600 from the state for tuition and fees as colleges of their choice. It is expected about 1,500 such monetary winners will be named from the 4,438 in March of next year.

Semi-finalists will be required to submit further evidence of their qualifications to receive a state award. In addition, the high school will be requested for a report on the student.

Parents will be asked to submit a statement of their financial circumstances with Jan. 10, 1960 set as

Oakland School PTA Will Meet

Monday, Dec. 21, the Oakland Grade school PTA will hold a combined meeting with the school Christmas program.

This will begin at 5:45 p.m. with a pot-luck supper. Parents are asked to bring a dish to pass for the meal and then enjoy the fellowship of neighbors and open house at school, until 8 o'clock.

The children will present "Christmas in Music" at 8 p.m.

Mothers of fifth grade students will be in charge of the kitchen and children in the eighth grade will serve.

Those who are unable to attend the supper are asked to come for the Christmas program at 8 o'clock.

Birth Announcements

Recent births at Waukegan hospitals have included a son to Mr. and Mrs. Robert Oddsen of Antioch.

Mr. and Mrs. Firmin Laureys of Spring Grove were parents of a daughter recently at a Waukegan hospital.

Births recently at a Zion hospital have included a son to Mr. and Mrs. Albert Sodman of route 2, box 7, Antioch.

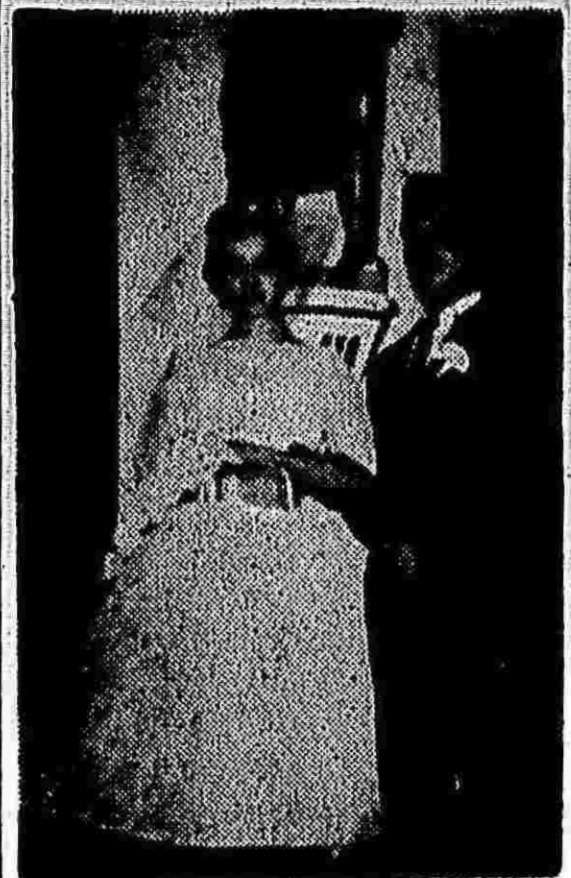

Honored on Birthday

LAKE VILLA—Rickie Belser, son of the Nathan Belser, Cedar Lake Road, Lake Villa, was honored at a party on his 7th birthday, Dec. 13.

Guests included Johnny Yancey, Timmy Boyle, Tommy & Jimmy Hoefelt, Terry, Michael and Bobby Vaughan.

Mr. and Mrs. Henry A. Mau of Shady Nook, Lake Marie, spent the past week at Waukegan, Kenosha, Lake Geneva, Twin Lakes and Silver Lake, Wis., visiting relatives and friends.

Charlene Rudolph Wed Recently

Miss Charlene Lorraine Rudolph of Tiffany road, and Dominick Richard Crifasi of Camp Lake, Wis., were united in marriage on Saturday, Nov. 28, at St. Peter's church, Antioch. Rev. Alfred Henderson performed the ceremony.

The bride, given in marriage by her father, wore a ballerina-length gown of white lace over taffeta, fashioned with a fitted bodice, three-quarter length sleeves and a full skirt.

A crown of taffeta held her fingertip veil and she carried a cascade bouquet of white carnations.

Miss Marie Fenger, maid of honor, and Miss Judy Rudolph, bridesmaid, sister of the bride, were attired alike in pink organdy voile ballerina length gowns, with a draped chiffon neckline.

Satin belts, formed into bows in the back, topped their full skirts.

Matching pink headbands held their circular veils and they carried

CHILDREN TALKING TO SANTA in the photograph were among those attending the Christmas party sponsored by the Oakwood Knolls Women's association for members and children of the association and of the Oakwood Property Owners association held Sunday afternoon at the American Legion hall in Antioch. Refreshments, distribution of gifts, Christmas carol singing and the like were other highlights. Shown are, from left, Carol Bolton, Penny Garrison, Diane Seidelmann (behind Miss Seidelmann), Donna Garrison and Donna Hanson. Standing at the rear are Santa's helpers, Sandy Bergaerts and John Bolton, Johnny Hanson is the boy at Santa's left and the girl sitting on his lap is a daughter of Mr. and Mrs. C. Mursen of Chicago.

You can gain extra seating space with trundle beds. Cover mattresses in a modern color and arrange the beds at right angles to each other, with one end of the lower bed under one end of the higher. A low marble table in the "V" of the beds will complete the grouping.

bouquets of baby carnations.

Michael Cirone served the groom as best man and Gene Rudolph, cousin of the bride, was usher.

The parents of the bride, Mr. and Mrs. Howard Rudolph, entertained 200 guests immediately following the ceremony, at the reception held at Mark Turner's.

The newly married couple are now at home in their apartment at Twin Lakes, Wis.

Life Expectancy At Birth

Although health levels have risen dramatically throughout the world in this century, the greatest gains have been shown by countries whose standards were highest to begin with, Health Information Foundation reports.

The Foundation recently examined mortality records for four selected countries of the Western world—the United States, England and Wales, Sweden, and France. "These nations have achieved levels of health among the highest in the world," the Foundation points out. "Here life expectancy has reached the highest levels in history."

In 1901, as the accompanying chart indicates, average life expectancy at birth in these four countries was only about 50 years. By 1930 the average had reached about 60 years. And by 1958, despite World War II, the average had risen still further, to about 70 years.

Among the biggest gains of this century, according to H.I.F., has been the reduction in deaths of women in childbirth. Sweden's rate in 1957 was the lowest among the four nations studied—3.6 maternal

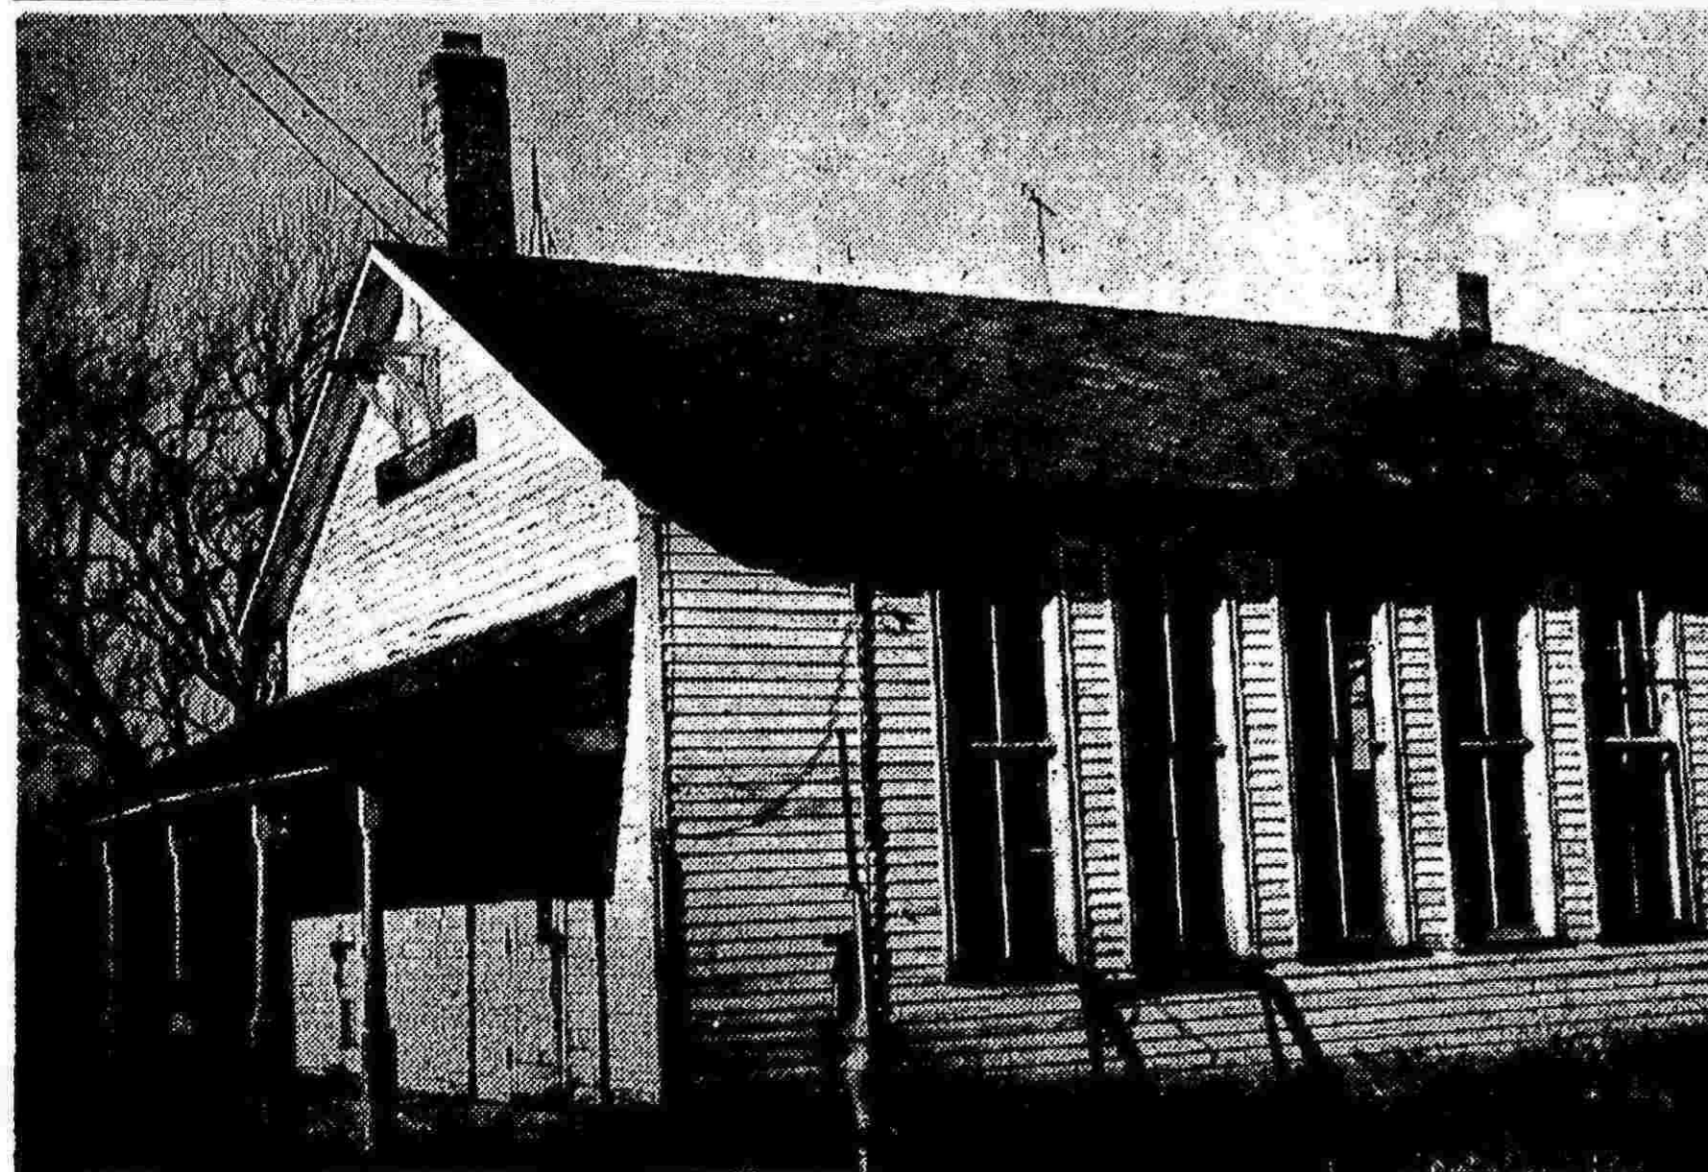

deaths per 10,000 live births, compared with 4.1 for the U.S., 4.8 for England, and 5.7 for France.

Deaths from communicable diseases have also declined greatly in these countries, the Foundation says. From 1925 to 1957, for example, tuberculosis mortality dropped by over 90 per cent in the United States, England, and Sweden.

As some diseases have been largely conquered, however, others—notably heart disease and cancer—have become increasingly prominent as causes of death. Still further improvements in health standards the Foundation states, "can be achieved in all countries through more widespread application of existing medical knowledge. Progress cannot be brought about solely through government action in the health field. The real key lies in wider use of present knowledge by an informed public."

CHEERLEADERS at Channel Lake school are shown in this photograph taken recently in the school assembly room in the basement. These are the girls who are leading the Channel Lake boys and girls in cheers as the school basketball team plays its 1959-60 games. Their Indian girl costumes are something different in cheerleader wearing apparel. The two girls in the center of the bottom row are holding the school's "mascot." Shown are, from right, front row, Janice Sershan, Mary Dahlman, Norma Heimbrodt, Sharon Zerr; back row, Nancy Lindblad, Cheryl Hartmann, Carolyn Lasco, Marge Bartley.

SOUTH BRISTOL SCHOOL is shown in this photograph taken on a recent Sunday as the photographer "wandered" around the Bristol districts looking for possible pictures. Just beyond this old-style wooden building is a transformer station of the Wisconsin Electric Power company. Shown in the foreground is an old-style well pump and handle. Lightning arrestors are apparent on the peak of the roof. A move has been underway to consolidate the Bristol and South Bristol school districts.

Jersey Group Elects, Eyes Future Plans

Southeastern Wisconsin parish No. 1, Jersey Breeders meeting was held at the Arthur Bushing farm at Salem, on Dec. 8.

The morning was spent looking at the Bushing herd, and following a potluck lunch, officers for the year were elected.

Arthur Bushing, Jr. was re-elected president; and Harold Howell, R1, Waukesha, again was named secretary-treasurer.

Fred Shepherd, route 4, Oconomowoc, will serve as vice-president.

The state jersey calf award to the outstanding junior 4-H dairy project member was discussed.

Harold Howell offered to donate a junior calf, while Robert Clayhart, Kenosha, indicated he could provide a senior calf if that was preferred.

Plans for the state picnic and the parish show in early July were discussed. The state jersey breeders annual meeting was announced to be held in Fond du Lac on Jan. 23.

Marion Masters, National Jersey Cattle club fieldman from Columbia, Mo., discussed national shows, sales, the D.H.I.A. program classification and registration schedules.

Kenosha County Agent Paul Jaeger discussed the electronic record keeping program and information on pipeline milker installations.

The parish annual meeting is to be held at the Shepherd farm in 1960. Parish 1 consists of Kenosha, Racine, Waukesha, Milwaukee, Washington and Ozaukee counties.

Be still and know that I am God... (Psalm 46:10).

Often when we feel that we have "lost touch" with our Heavenly Father, it may be that we have been talking to Him too much, telling Him what we want and beseeching His mercy and His love, when all we have to do to receive it is to be silent, and listen.

DEATH NOTICES

SAMUEL HERNQUIST

Funeral services for Samuel (Sam) Hernquist of highway 48, Antioch, who died last Friday at a Waukegan TB sanatorium, were conducted at the Strang funeral home in Antioch Monday afternoon. Burial was in Hickory cemetery.

Rev. L. H. Messersmith, pastor of the Millburn Congregational church, officiated.

Mr. Hernquist was born Jan. 7, 1883 in Sweden, coming to the United States in 1902. He resided in Chicago in 1906 and in 1920 went to Lake Forest. He came to Antioch in 1941.

He was married on Aug. 5, 1933 to Anna Sanders of Lake Forest. Before his retirement about two years ago, Mr. Hernquist was employed as a guard by Fansteel Metallurgical corporation, where he worked for 14 years.

Surviving are his widow, Anna; one son, Robert, also of Antioch; three brothers, John and Einar, both of Sweden, and Conrad of Chicago; one sister, Siquid Hernquist of Sweden.

MRS. MINNA L. PETERSON

SPRING GROVE—Funeral services for Mrs. Minna Ida Peterson, 77, who died at the home of her niece, Mrs. Curt Teubner last Wednesday, were held Saturday afternoon at a Chicago funeral home.

Friends called at a Fox Lake funeral home from 7 to 10 p.m. Thursday or in Chicago on Friday. Burial was in Rosehill cemetery, Chicago.

Mrs. Peterson, a resident of rural Spring Grove for about two years, had been in ill health for several months.

She was born March 21, 1882, in Germany, coming to the United States in 1905. Before moving to Spring Grove, she lived in Chicago, for many years.

Survivors are her niece, Mrs. Teubner at Spring Grove, and a nephew, Ernest R. Kuttner, of Chicago.

LOUISE C. GILL

Names of two survivors, a son, Elmer A. Gill, and a grandson, Philip Warren, were inadvertently omitted from the news story given the Antioch News about the death of Mrs. Gill.

Services for Mrs. Gill were held at a Chicago funeral home on Nov. 30, and burial was in Graceland cemetery.

Mr. and Mrs. Adolph Gill had been summer residents of Lake Catherine since 1900.

Columbus Sailed the Ocean Blue
Columbus might never have discovered the New World if his name had been Tom, Dick or Harry. He was named after Saint Christopher, patron saint of sailors and travelers. He saw in his name a sign that he was destined to carry Christianity to heathen lands.

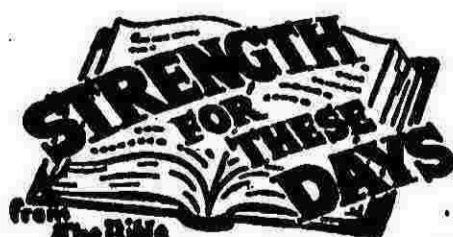

Columbus found a new world, but his original dream wasn't realized until about 60 years after his death. That dream was realized when the Spanish occupied the Philippine Islands.

Troop Auxiliary Plans Dinner On New Year's Eve

Mothers' auxiliary of Boy Scout
troop 92 held its meeting last week
Thursday at Smart's Country House
with a delicious meal preceding the
business session.

Final plans were for a progressive
dinner to be held on New Year's
eve. Anyone wishing to participate
is asked to contact Mrs. M. Mongan
at Antioch 1070 before Monday,
Dec. 21.

Information and reservations for
the dinner may be obtained through
her.

A New Year's eve party will be
held at the home of Bob and ePari
Taylor after the dinner.

Scoutmaster im Horton of troop
92 told the auxiliary of the progress
some of the boys in the troop and
on the condition of the troop's bus.

He also announced that the troop
will hold a skating party at "Rollin'
Wheels" in Twin Lakes, Wis., at 7
p.m. Tuesday, Dec. 22. Scouts of
Troop 92 and their families have
been invited.

The boys themselves will have
their Christmas party and exchange
of gifts at the roller rink.

Carbon monoxide is a deadly
enemy of the motorist. That is
why it is important that a driver
never run his car engine in a gar-
age unless all the garage doors are
open. Carbon monoxide is odorless
and tasteless.

Kitchen Safety Practice Helps Better Holidays

URBANA—There is nothing more
enticing than the fragrant and en-
veloping warmth of a busy kitchen
on a cold winter day.

With Christmas and New Year's
meals just ahead, the kitchen will
be busier than ever.

But too often the busy kitchen is
a hazardous one, warns O. L. Hog-
sett, extension safety specialist at
the University of Illinois.

"Haste makes waste" is especially
true of kitchen activities. Hurried
mothers in the kitchen are headed
down the road of carelessness to
costly accidents.

Falls are one of the major kitchen
hazards. One can protect oneself
and others by immediately cleaning
up slippery substances like water,
grease or foods.

Cuts can easily be prevented by
following safe practices in the care,
use and storage of knives. Storing
sharp knives separately will protect
both the user and the knives.

Remember, too, that sharp knives
are actually safer than dull ones
when properly used.

Burns are still another cause of
serious injuries in the kitchen. Keep
pot holders conveniently near the
range and use them. Tongs are
both handy and safe when handling
hot foods.

If at all possible, keep children
out of the busy kitchen. Explain
the dangers, and provide other
places for them to play.

flavor. To blanch apple slices,
steam them for 3 minutes. Cool
quickly in running cold water. Then
drain and blot dry.

The slices are soft at this stage.
For ease of handling, alternate them
with the sugar mixture in the crust.

Research shows that apple pies
baked after freezing have a fresher
flavor than those baked before
freezing. Also, for frozen pies it is
wise to add steam vents early in the
baking period rather than in the un-
baked pie. Wrap the pies in mois-
ture-vapor-proof material for freez-
er storage.

Bake unbaked frozen apple pies
at 425 degrees F. for about one hour.

Present Food Bargains Expected to Remain Unchanged to Dec. 24

CHICAGO—Preview of Christmas food values indicates consumers can start to shop later this week to avoid a last minute Yule rush with confidence that bargains reported now will hold substantially unchanged through Dec. 24.

The University of Illinois consumer service makes this observation to help spread the buying load to aid harried homemakers.

It can be expected that the Wednesday and Thursday before Christmas will carry two and a half of the four day's traffic.

Consensus values for the marketing period ending Dec. 19, which will also hold for the following week, are paced by hams in the top bargain position.

Beef roasts also will move into the value column for the holidays, along with lamb chops.

Fresh pork is a secondary consideration due to generally firmer retail levels of a change-of-pace meat merchandising schedule, following last week's roasts and chops promotions.

HOWEVER, PORK continues at a three year low level.

Notably missing from the U. of I. holiday value list are such traditional items as poultry, especially turkeys and oysters.

Turkeys are high priced with no significant change in sight. Fryers have moved to a higher consensus price and oysters are scarce in supply.

Fresh vegetables could prove an exception to the holiday shopping rule, plagued as they are by lingering weather problems.

Most major lines are considered very high priced—F.O.B. quotes in many instances are as high as last week's wholesales.

Most tender items are generally much higher priced than year-ago. Outstanding exceptions are root crops, Brussels sprouts and celery.

FRESH FRUITS, on the other hand, probably will be stable values hereout through the holidays, especially California navel oranges, Florida tangerines and grapefruit, and western pears and apples.

Apples are slightly higher priced than year-ago; the others are lower priced.

Groceries and frozen foods take the holiday discounts now, offering many selections associated with the season. Eggs remain unchanged.

Consensus values appearing in the Christmas value line-up include:

Meats—Hams, beef chuck and rib roasts, lamb chops; Produce—navel oranges, tangerines, pears, apples, Yams, potatoes, onions, celery, cauliflower, carrots, Brussels sprouts; Groceries—orange juice, cranberry sauce, peaches, shortening, coffee, canned fish and frozen shrimp.

Pricing patterns: Pork—Sharp increased arrivals of heavier sows at market suggest some production decline with indications of resulting higher pork costs in the year ahead.

Currently hams hold the value spotlight, family size smoked, whole or shank half, cooked kinds unchanged from last week's 49-55c, full butt halves likewise at 55-59c. Bacon shows slightly stronger market tones of 55-59c. In fresh lines, rib and loin roasts are consensus priced respectively 35c and 45c, but quote lower on features; fresh butts 35-39c, center chops 69-75c, ribs 45c.

Beef—Rougher cuts show a bit of a price drop, blade cut chucks 39-49c with the high figure being more common; round bone roasts quote 59-65c competitively; standing rib and rolled rump roasts from 89c, and rib roasts (backed up in supply channels) starting at 69c for first four ribs, 55-59c for 5th and 6th ribs. Steaks unchanged from last week.

Poultry—In line with previous reports, turkeys hang high at 49-55c, with heavier toms sporting the 49c tag usually for 20-pounds and over. This price could be changed to 45-49c for heavy birds as the only measurable Christmas concession.

Fryers continue high on lower marketable production, priced 39c as a competitive low. Stewers (35-39c) and eggs (39-45c grade A large) are unchanged from previous quotes.

Lamb—All marketing factors considered, chops take the value nod on 59-65c quotes for the shoulder cuts.

These starting quotes prevail on other cuts—79c rib chops, 89c loin chops, 59c leg roasts, and 45-49c shoulder roasts.

Falcons Take 6th Straight; Clinton at Salem Dec. 18

By John Fisher
Central High Reporter

PADDOCK LAKE, Wis.—"Everybody but the waterboy," as the saying goes, got into action last Friday evening as Salem Central high school's basketball team rung up its sixth win of the 1959-60 season.

This victory was against Palmyra on the Palmyra floor by a score of 69-31. It also was the fourth Falcon Southeastern conference win against no defeats this season.

It was strictly "no contest" for the Falcons as they roared to a 23-3 lead at the first period buzzer, 40-5 at the half and were on the long end of a 53-17 margin when the third stanza ended.

Salem varsity totals:

	fg	ft	tp
Gentz	0	0	0
Foulke	1	1	3
J. Lentz	0	0	0
Erickson	3	1	7
Rodis	0	1	1
F. Lentz	0	0	0
Westman	1	1	3
Neu	7	0	14
Straulin	4	1	9
Hofer	0	0	0
Krawczyk	4	1	9
Gene Schultz	2	2	6
Zichen	0	0	0
Weidner	1	2	4
Glen Schultz	3	0	6
R. Yates	1	1	3
D. Yates	2	0	4

This week Friday evening Clinton will be the foe on the Central high floor in a conference tussle. The varsity show will get under way about 8:15 after a prelin starting at 6:45.

Salem against Palmyra made 11 out of 23 free throws, while the home team garnered 13 out of 30.

Dick Neu in the varsity contest racked up 14 points and Jim Straulin and Len Krawczyk each contributed 9 to lead the winners in point-making.

Scoring for the Falcons was more or less evenly distributed with 18 players taking part.

Nelson of the home team made more than half of Palmyra's points in the whole game when he contributed 16 to be high man.

In the B game last Friday night, Central took the measure of its foes by a 38-31 tally.

Central High Cage Tourney Site, March

SALEM, Wis.—The sub-regional basketball tournament once again will be held in Salem Central high school's gym in March with six teams taking part and later Central will host the regional tourney.

Schools taking part in the sub-regional will include Salem Central, Kenosha, Wilmet, Burlington, Union Grove and Watertown. It will be Wilmet's first season as a regional school.

Before this year the Panthers had to play in district tournaments which are for smaller schools.

Winner of the Salem Central sub-regional will be paired against the Delavan-Darien sub-regional victor for the regional championship, also to be held at Salem Central.

Lake Geneva, Walworth, Big Foot, Elkhorn and Delavan-Darien will meet in the Delavan-Darien sub-regional.

Winner of the regional finals will go to the Beloit sectional tourney.

Klass Men's Store had high team series, with games of 874-915-977 for a total of 2766.

Chuck Moran was high individual scorer, bowling games of 200-242-193 for a total of 635.

W. Knizer with a 504 series was high man for Wally's Channel Inn, when they took all three games from Four Aces. B. Garraughty, with a 438 score was high for the losers.

Sail Inn, with G. Barth's 507 for high scorer, took 2½ games from Old Orchard Inn. D. Milz had 536 for the losers.

Taylor's Shoe Store, sparked by T. Gudgeon's 522, took two games from Chase's "66" Service. P. Heath had 552 for Chase's.

Klass Men's Store, with W. Swanson's 538 for high, took all three games from Eckhoff Gas Co. F. Hartnell rolled a 536 series for the Gas Co.

C. Moran's 635 helped Petersen's TV to a 2 game win over John's River Inn. B. Fisher had a 531 for the losers.

Nick's Shell Service, with the aid of C. Conrad's 546 won two games from Lyons & Ryan Ford. W. Lyons had a 494 series.

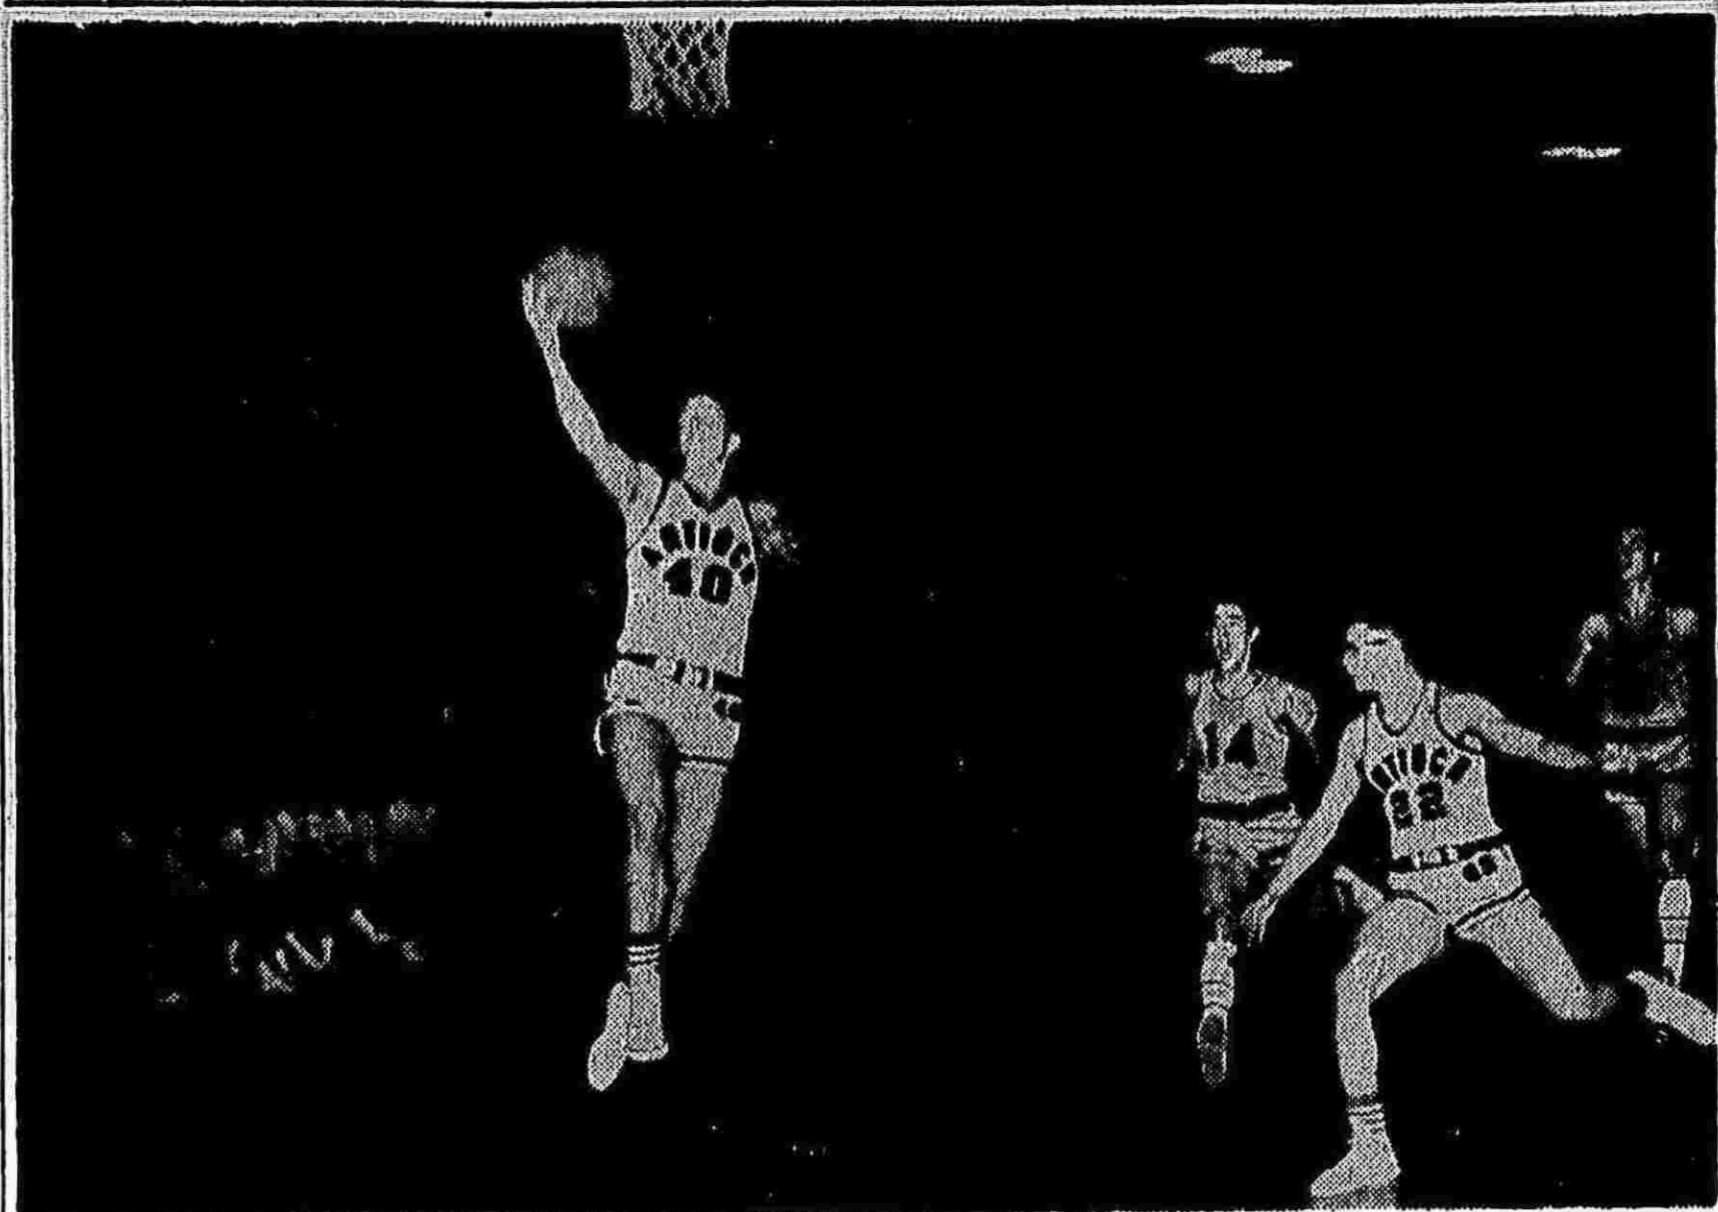

On cold winter mornings it is important to let your car engine warm up before starting in motion. This good safety habit helps prevent stalling in traffic and also prolongs the life of your engine.

Remember, if you keep your car in a garage, open all doors before starting up the engine. In a closed garage, the concentration of carbon monoxide from your exhaust can be deadly.

Sequoits Play Here on Sat.

YES, HE SCORED but the basket didn't count. Don Pyles (No. 40) at left is shown laying up a one-hander in the Antioch Township high school basketball game with Wauconda high last Saturday evening. The oval went through the hoop, for 2 points but it didn't count due to some infraction down the floor. Pyles had "stolen" the ball and dribbled more than half the length of the floor with two Wauconda players (Nos. 14 and 21) in pursuit. An official in the dim background (striped shirt) is marking where Pyles stepped out of bounds on his "dash". No. 22 for Antioch at right is Dick Wolf. The Sequoits won the Northwest Suburban conference game 75-56. (Antioch News photo)

Antioch Defeats Ela-Vernon and Wauconda Fives

The frosh-soph basketball game this week Saturday night on the local floor against Glenbrook will be at 8 o'clock instead of the usual 7, and the varsity is booked for 7:30 instead of 8:30.

Change in time was made at the request of Glenbrook because of a social event scheduled that same evening at Glenbrook.

Antioch high posted its fourth and fifth straight basketball victories of the 1959-60 season last weekend with two entirely different games played — one a nip-and-tuck affair and the other a bit more one-sided.

Friday evening the Sequoits nipped Ela-Vernon 71-70 and the next night on the local floor encountered little trouble in stopping Wauconda 85-56. Both were Northwest Suburban conference contests.

Free throws told the story for the Larry Leon-coached youths in the Ela-Vernon get-together as the Sequoits made 25 out of 32 for .781 while the home team had a bit better of the argument in field goals.

Ela-Vernon sunk 28 out of 65 tries from the floor for .431 as compared to 23 out of 55 for Antioch and .418. The home quintet made 14 out of 24 tosses from the charity line for .583.

Rebounding was almost even against Ela-Vernon with Antioch grabbing 13 on offense and 21 on defense for a total of 34. This compared to 18 offensive and 17 defensive for the home quintet for a 35 total.

Antioch piled up a 45-36 lead at half time, including a 25-12 margin at the first quarter whistle against Ela-Vernon. The Sequoits were on top 57-54 at the three-quarter mark.

Only in the first period did Antioch outscore its rivals.

Dick Gudgeon and Bob Martin each sank two free throws in the final minute of play of the game to provide most of the Sequoit victory.

Jerry Dahlgren of Antioch with 24 points and Johnny Hunsaker with 25 for Ela-Vernon were high scorers.

Jerry Dahlgren produced 25 points and Don Pyles 14 as the Sequoits took over a 75-56 victory against Wauconda on the Antioch floor Saturday evening before a near capacity crowd.

The Sequoits led at every quarter—including 20-7 at the end of the first stanza, its biggest margin — in downing Wauconda, which along with Ela-Vernon has yet to win a conference game this season.

Antioch led at the halftime pause 37-21 and at the third quarter mark by a score of 51-33.

Once again as on Friday evening, the Sequoits led in the free throws attempts, with a .731 percentage on 19 made out of 26 tried. Wauconda tossed 35 and made 22 for a .629 percentage.

Field goal attempts showed 71 for Antioch and 28 made for a .394 percentage, as compared to 17 out of 45 for Wauconda and .378.

The Sequoits had a slight edge in rebounds, making a total of 49 to 47 for Wauconda.

Coach Larry Leon of the home quintet used 14 players or all but one on his listed varsity roster, to help keep the final score for Antioch down. The final margin for the Sequoits probably would have been somewhat larger otherwise.

Friday's varsity scoring:

ANTIOCH (71)	FG	FT	PF	TP
Pyles	5	3	3	13
Wolf	4	4	2	12
B. Martin	4	2	4	10
Gudgeon	1	3	2	5

D. Hunsaker	1	2	2	4
Herbst	0	1	1	1
E. Martin	1	0	0	2
	23	25	16	71

Saturday's varsity scoring:

ANTIOCH (75)	FG	FT	PF	TP
Pyles	4	6	5	14
Wolf	4	0	4	8
B. Martin	4	3	3	11
Gudgeon	2	2	1	6

Central, Union Grove Gridders on All-Star

Salem Central and Union Grove high school football players were named to the United Press International all-state football squad for 1959.

Louis Holland of Union Grove, considered by many observers this past season one of the best backs in southern Wisconsin, was named to the second UPI all-state team.

Salem Central's Dave Erickson was given honorable mention as a tackle.

Scouts Take 4th Straight In Semi-Pro Cage League

RICHMOND—The Antioch Scouts basketball team evened up its won and loss record of the 1959-60 season last Sunday afternoon by winning its fourth straight game, this one a 79-64 decision over Round Lake.

It was the Scouts' third win in a row in Land O' Lakes league competition and gave them a 3 wins, 2 losses record for second place in the loop's standings.

Richmond is in first place with a 5 and 0 record, Wauconda, Grayslake and Round Lake are tied for third with a mark of 2 and 3 while Fox Lake is alone in the cellar with 1 win and 4 losses.

This coming Sunday afternoon, Dec. 20, the Scouts play Richmond in the final game of a tripeheader at the Wauconda high school gym. Game time for the Antioch crew will be about 4:20.

Other games next Sunday will see Round Lake meeting Fox Lake at 1:30 and Wauconda taking on Grayslake about 2:55.

Manager Tom Poulos of the Scouts said this week the Scouts will be out to avenge their first defeat in the first game of the season against Richmond. Antioch also could close the gap to one game in the standings.

In other games last Sunday, Grayslake topped Fox Lake and Richmond took the measure of Wauconda.

The Antioch Scouts opened up a 42-20 first half lead in defeating Round Lake, and then coasted to its 79-64 victory. Four of the Scouts were in the double figures for scoring points.

Parker led the attack with 15, followed by Bill Baird, Pregenger and Reckers, each with 14.

Others in the scoring column were Smejkal 9, Brownlee 7, Gallagher 4, Wilton 2.

Aggressive play of Smejkal, controlling of the boards and balanced scoring attack gave Antioch's semi-pro cagers the win.

Last Wednesday night, Dec. 9, the Scouts defeated a good team from Woodstock, 94-80 in a non-league contest. Antioch led 46-40 at the half.

Against Woodstock, again four players of the Scouts were in the double figure column in scoring. Reckers was tops with 25 and Pregenger had 23, Smejkal 18 and Parker 11.

Baird added 9 to the scoring column and Gallagher 8.

This week Wednesday evening, the Scouts were scheduled to play a non-league game at Dundee.

"Basketball Dope"

Grant high of Ingleside which meets ATHS Sequoits on the Grant floor this week Friday evening will be taller "up front" with boys as tall as 6 feet 5 inches, 6-4 and 6-3 on the starting team.

Coach Larry Leon of Antioch high pointed out this week that although Grant has won but one game, its losses, except to Lake Forest, have been relatively close. Grant has a good defensive basketball team.

Leon said that Grant plays a slow, deliberate type of game, while the Sequoits use a fast offensive so fans will be in for some comparisons along that line.

Last week the Battling Bulldogs of Grant lost to Grayslake by one point, 49-48, and to Lake Forest.

Antioch high's cagers were lucky last week-end against Ela-Vernon, their coach commented this week, winning by one-point after racking up 45 points in the first half.

Free throws by the Sequoits told the victory story as the Sequoits were outscored from the field goal vantage.

However, Antioch's team is not tense under pressure and the game on Friday showed that, Leon continued. Four free throws in the closing moments gave Antioch the victory—by a single point.

Looking back to the Saturday evening clash with Wauconda, Leon had praise especially for Dick Wolf, Don Pyles and Bob Martin and their defensive work.

Wolf held the high-scoring Hubbard of Wauconda to 1 point, while Pyles and Martin combined to hold the top-scoring guard Kazimour to 4 points.

Leon said the Sequoits put on their best defensive effort of the season in the first half last Saturday.

Ten cows averaging 10,239 pounds of milk a year can give the same return over feed cost as 34 cows producing 5,311 pounds, according to Illinois Dairy Herd Improvement association records.

Grant Hi Wrestlers Show Good Promise

By Jim Glendening
Grant High Sports Reporter

FOX LAKE—Grant high's wrestling squad has pushed off to a good start in the 1959-60 season with three wins and two losses as of last Friday evening.

These included victories over Harvard 36-18, Warren 33-23 and Ela-Vernon 37-17 and defeats by Wauconda 27-19 and Fenton 28-18.

Prospects for a winning season are high at Grant high school this year as many undergraduates are developing rapidly and soon are expected to make their abilities known.

Top point winners so far this season have been Garry Winter, Paul Stenzel and Gerald Hughes.

Popular Ice Fishing Spots Of Lake Region Are Noted

By Jim Jankowiak

Ice fishermen, despite the danger of weak ice, were still out at the lake region hotspots.

The most popular places in the past few weeks have been Petite lake, Stanton bay of Fox Lake, Meyer's Bay in Pistakee lake and Grass lake.

Petite lake has been especially popular, with hundreds of Chicago

and local anglers braving the cold in quest of bluegills, perch and crappies.

In Stanton bay, the perch are hitting quite well, due to the fact that they have not left the shallows of the bay for the deeper areas of the lake where the water is a little warmer.

When it gets colder and the ice begins to thicken, the panfish head out towards the middle and only come in to feed.

The favorite food of the fish at this writing seems to be that old standby, the weedworm.

A few of the men are having success with minnows. Fewer yet are trying golden grubs and minnows without much success.

The rules concerning ice fishing are basically the same as last year. There is no limit on panfish.

The holes may not be more than 12 inches in diameter. No more than two poles may be in use at any time.

Northern Pike may not be taken at any time through the ice or any other way from Nov. 30 to May 1.

Sizes of the catches have not been too large except in a couple of the "hidden" feeding runs.

The fishermen who know these runs have been getting 30 to 50 apiece when the fish are hitting — mostly bluegills and crappies.

Best fishing hours are in the morning before 10 and then again in the late afternoon after 3, with the most luck during the latter.

The thing to beware of at the present is the rotten ice which prevails throughout the chain. What looks like solid ice is usually a soft coating over the surface of the lake.

About the only places that are really safe are the back channels and the bays. Sometimes the ice will break near the shore but once out on the main portion it holds.

The main channels are almost all open or covered with just a thin sheet of ice, as are the unsheltered parts of the lakes.

Panthers Lose To Whitewater In Loop Game

WILMOT, Wis.—If the two teams hadn't played a second quarter last Friday evening—or else the Panthers had done better scoring in that period—Wilmot just might have topped the highly favored Whitewater 5.

As it was the Panthers took it on the chin 59-46 from a team rated by many as the quintet to win the Southern Lake conference title this season.

The visitors led at every quarter buzzer, but actually except for that second period reading, the margin was never by more than three points at any quarter final whistle.

Whitewater held a narrow 17-14 lead at the first period pause, 33-20 at the half (when it outscored Wilmot 16-6) and 44-36 at the third period. As a matter of fact Wilmot outscored Whitewater 16-15 in the last stanza.

Top point maker for the Panthers was Glen Marsh with 14 points, while Jim Harmon's 7 points in the game all came in on free throws.

Gary Held drew the praise of coach Dale Schroeder of Wilmot for his rebounding work.

WILMOT—Rasch 5-4-3; Robers 3-0-1; Jeffers 1-0-4; Held 2-1-1; Harmon 0-7-4; Ratchek 1-2-1; Dicklin 1-0-0; Bush 2-2-4. Totals 15-16-18.

FAMOUS FIRSTS

TRAVEL

The world's first international passenger flight was made February 8, 1919—from Paris to London. Eleven passengers sat in wicker baskets aboard a bi-winged "Galloth" for the 2½ hour flight.

The "Curacao", a wooden paddle boat, was the first steam powered vessel to cross the Atlantic under her own power. A mail boat, she made the trip from Holland to the West Indies for the Dutch government in 1827.

First choice in refreshment for millions of Americans after a trip or at any leisure hour is Antique Bourbon.

In 1830, the first covered wagons pushed across the Mississippi River bound for the Rocky Mountains. The passengers—all for trappers—left St. Louis behind and were among the first trail blazers of America's western frontier.

Onstad Ends Course With U.S. Marines

SAN DIEGO, Calif.—Marine Pvt. Wayne K. Onstad, son of Mr. and Mrs. Carol Onstad of Antioch, Ill., completed recruit training Dec. 10, at the Marine Corps Recruit depot, San Diego, Calif.

The 11-week course included instruction in all basic military subjects and infantry weapons.

Upon completion of training new marines are assigned to a unit for further infantry training, or to one of the many marine corps schools.

SS Teacher Training

A class in training of Sunday school teachers will be held starting with the first Sunday in January at the Antioch Methodist church

with Rev. Wallace Anderson, pastor, as the teacher.

Five class sessions are planned each Sunday in that month during the hours of 3 to 4:30 p.m.

These classes are being planned to help alleviate the shortage of Sunday school teachers in the Antioch Methodist church.

Patsy Kent and Richard Kapell Married at Church in Millburn

By Mrs. Janet Kapell
Channel Lake Correspondent
CHANNEL LAKE—Miss Patsy Kent and Richard Kapell were united in marriage at 7 p.m. Dec. 11 at the Millburn Congregational church. Rev. L. H. Messersmith performed the ceremony.

Mr. and Mrs. Carl Goforth served as attendants.
A small reception was held at the home of Mr. and Mrs. George Ellison following the ceremony, for a few relatives and close friends of the bride and groom.

A belated Happy Birthday to James Bain, whose birthday is December 8.

Mrs. Katharine Archer left on Dec. 12 to spend the winter at the home of her daughter in Detroit.

Has anyone seen a lost dog? The John Runyards' Siberian Husky disappeared either Saturday or Sunday. He answers to the name of Chinook. He is quite a large dog, dark gray on the back, shading to lighter gray on the sides, with white chest, throat and legs, long hair. The children miss him.

The Happy Eight club met at the home of Mrs. Lillian Smock on Dec. 3. A delicious lunch was served and the afternoon spent in playing cards.

Those attending were Rose Hess, Theresa Krantz, Dolly Spiering, Marie Sima, Jane Frey, Ogot Hennig, Mrs. Julia Schmitt, a regular member of the club, was not present as she is in Florida.

The Couples club met at the home of the William Freys on Dec. 10. Refreshments were served. Those who attended were Mr. and Mrs. Clarence Spiering, Mr. and Mrs. Robert Hess, Mr. and Mrs. Frank Hennig, Mrs. Katharine Archer and Mrs. Lois Liess.

Mrs. Frank Hennig is thankful there are still honest people in the world. Mrs. Hennig was very upset when she discovered she had lost her watch while shopping in the Jewel store on Dec. 3. Returning to the store in the hope of finding it, she found some unknown person had picked it up and returned it to the desk. Mrs. Hennig thanks you, whoever you are.

Lorin Kimmey entered the hospital for surgery on Dec. 10.

The George Patys and son, Pat, are leaving on Dec. 18 for a three week vacation in Florida. They will visit Mr. and Mrs. Joseph Paty, formerly of Channel Lake, in St. Petersburg.

The Channel Lake Chieftains basketball team lost another close one to Gavin school on Dec. 8, 24-23. The B team won, 21-9. The next game will be on Dec. 18, at 3:30 p.m. at Johnsbury.

Santa Claus will come to the first and second grade room at Channel Lake school on Dec. 22. The room has been decorated by the room mothers, and the day will be filled

with Christmas festivities. The children have all written letters to Santa Claus, and when he arrives at 11 a.m. he will read the letters.

Channel Lake school will close for Christmas vacation on Dec. 22, and will resume classes on Jan. 4, 1960.

A large doe was struck by a car and injured on Highway 173 near the Fox river Dec. 11. The deer was so badly injured it was disposed of by officers who were called.

Everyone is invited to attend a skating party to be given by the Community club at 4 p.m. at Shannon's beach on Dec. 19. Santa Claus will arrive for the youngsters at about 5 p.m. and give candy to all good little boys and girls.

The Community club held its regular monthly meeting on Dec. 9 at the school house. Pat Harland reported that she is still unable to get prices on a suitable mixer for the school kitchen.

The Club decided to give a card party, arrangements to be made and the date set by Barbara Bjork.

Pat Harland is in charge of arrangements for a square dance, to be given by the club sometime in January. It was decided to have the skating party in place of the Christmas party usually sponsored by the club.

Vacation Begins Soon For U of I Students

URBANA—Nine Antioch and vicinity students at the University of Illinois in Urbana will begin their Christmas vacation Saturday, Dec. 19. The vacation will end on Monday, Jan. 4.

They also will be among 20,219 students at the university who will be taking final exams beginning Jan. 22. Second semester registration will begin on Feb. 8 and classes will start on Feb. 11.

From Antioch vacationers will include Sandra Lou Barnstable, Harry William Conrad, Arlene Yvonne Cribb, Ione Ruth Cribb, Albert William Herman, Vincent Frank Nau-seda, Joan Margaret Mair, Janet Gretchen Rogers and Richard Allen Westgard.

Salem Methodists SS Program Sunday

SALEM, Wis.—Sunday school teachers of the Salem Methodist church were scheduled to meet at 7 p.m. Thursday, Dec. 17, to trim the Christmas tree for the party slated at 11 a.m. Sunday, Dec. 20. Thursday, Dec. 24, (Christmas eve) a candlelight service will be held at 8 p.m. and at 11 p.m. in the Salem church, Rev. Carroll Usher, pastor, said.

"With today's transportation, there's no such thing as a distant relative."

Legion Seeks Aid to Vets

American Legion members in Antioch and vicinity are cooperating in a drive to provide "Christmas Gifts to Yanks Who Gave" with containers placed at various business houses in the community for donations.

A statewide goal for Illinois of \$50,000 is needed this year to insure the purchase of these gifts for our less fortunate comrades," drive chairman Elmer E. Ehrhardt said this week.

Joining the American Legion this year in this program are the American Legion auxiliary units and the 40 at 8 and the 8 and 40 organizations.

Some 15,000 hospitalized war veterans in Illinois have been, are being and will continue to be remembered by this "Christmas Gifts to Yanks Who Gave" activity local Legionnaires said.

Donations may be left in containers scattered around the community or may be given to any Legionnaire. Or they may be mailed to the American Legion, 343 South Dearborn St., Chicago 4, Illinois.

Driving Caution Urged by Club

The rush and crush of the holiday shopping season always adds to traffic hazards at this time of the year, cautions Matthew C. Sielski, director of the Chicago Motor club's safety and traffic engineering department.

Sielski offers these suggestions for avoiding traffic accidents during this festive period:

Don't try to window shop and drive at the same time.

Don't put packages on the seats or back ledge of your car. They may distract or impair your vision. Always put packages on the car floor.

Be patient. There will be many delays during the holiday activity. Never cross the street in the middle of the block; never cross while packages are obstructing your vision.

Take it easy, whether you're driving, shopping, or walking. There's more danger of an accident when you're tired or excited.

Be courteous. Keep car windows and windshield clean.

If roads and streets are slippery allow yourself more time to get to your destination.

Firefighters Called

Antioch fire district crews and apparatus were called out just before noon last Thursday to quench a grass fire near the Antioch Bowl on Highway 173. A Jeep and the rural truck took care of the blaze that burned a small portion of grass in the lowlands.

Bert Greene Named To Lions Committees

CHICAGO—Bert D. Greene of Highland Park in Lake county has been named to the budget committee for the state council of Governors of Lions International in Illinois and to an Illinois Lions-CARE committee.

Greene, an instructor in a high school at Highland Park, is district governor of 40 Lions clubs in northern Illinois. He is a member of the Lions club at Highland Park and has been in the organization for over 14 years.

The CARE committee project is to

send urgently needed items to some of the million refugees from communism who have fled to Hong Kong.

Power

THE movement of nations is caused not by power, nor by intellectual activity nor even by a combination of the two as historians have supposed, but by the activity of all the people who participate in the events, and who always combine in such a way that those taking the largest direct share in the event, take upon themselves the least responsibility and vice versa.

Morally, the wielder of power appears to cause the event; physically, it is those who submit to the power. But as the moral activity is inconceivable without the physical, the cause of the event is neither in the one nor in the other but in the union of the two.

—Count Leo Tolstoy (1828-1910) in "War and Peace."

If anyone gives too great a power to anything, too large a sail to a vessel, too much food to the body, too much authority to the mind, and does not observe the mean, everything is overthrown. I mean to say that there is no soul of man, young and irresponsible, who will be able to sustain the temptation of arbitrary power—no one who will not under such circumstances become filled with folly, that worst of diseases, and be hated by his nearest and dearest friends. When this happens, his kingdom is undermined, and all his power vanishes from him. Great legislators should take heed of the danger.—Plato (428-347 B.C.).

Troop 91 Enjoys Christmas Party

Boy Scout troop 91 with members' parents, brothers and sisters, and leaders enjoyed a Christmas party complete with gifts, refreshments and games, at the Antioch American Legion hall Monday evening.

About 60 adults and children attended. Each Scout received a neckerchief as a gift, there was a lighted Christmas tree and at one end of the hall mothers of the boys had put out cookies, soft drinks, coffee and the like.

Of the more than 40 members enrolled in the troop, 32 boys attended.

They were Steve and Wally Henning, Bill and Terry Eckert, Billy Carrick, Lon and Brad Ipsen, Kenneth White, Kenneth Sheldon, Vince Casella, John Horan, Kenneth Nelson, Ken Beaulieu, Joe Seitz, Erick Larson, Randy Polson.

Others were Ray Westhoff, Pat and Mike Hatfield, Jim Sorenson, Doug and Ron Hellstern, Allan Tegen, Tommy Blackman, Richard Rowe, Robert Dameron, Jim and John Johnston, Jim Borchardt, Jim Rentsch, Bud Lulich, Mike Sterbenz.

Kenneth Sheldon is scoutmaster of troop 91 with Lee Ipsen as assistant scoutmaster.

Bill Lahti presented organ selections for group singing and also played incidental music during the evening.

Royal Neighbors Have a Potluck, Elect Officers

By Mrs. Fred Bartlett
Lake Villa Correspondent
LAKE VILLA—The Royal Neighbors of Cedar Lake Camp held a pot luck dinner Tuesday evening followed by a meeting with election of officers.

The following were elected for the coming year: Edna Botts, oracle; Georgia Avery, vice oracle; Helen Fish, recorder; Mathilda Bartlett, receiver; Eva Huey, chancellor; Cecile Paske, inner sentinel; Anna Veljkovic, outer sentinel; Cecile Blumenschein, marshal.

The other officers, such as the five graces, flag bearer, captain of the degree staff and musician, will be appointed by the new oracle.

After the regular meeting of the Royal Neighbors to be held Jan. 12, officers of the Officers club will be elected and secret pals revealed and new ones picked.

Plans will be made for installation of officers to be held the last Tuesday in January with more details at a later date.

Mr. and Mrs. Clifford Bartlett and family were visitors Sunday at the home of Mr. and Mrs. Raymond Bartlett and family of Waukegan.

Mrs. Clarence Blumenschein, Mrs. Ann Nelson and Mrs. Fred Bartlett, Sr., were Kenosha visitors Monday.

Mrs. Bernard Schneider and Mrs. Fred Bartlett, Sr., were visitors Monday at the home of Mr. and Mrs. Raymond Bartlett and family of Waukegan.

Mrs. Helen Scherzinger of Lake Villa was awarded the quilt at the Royal Neighbors Christmas party Tuesday evening at the village hall.

Mr. and Mrs. Lester Stolslet and family of Burlington were visitors Sunday at the home of Mrs. Tina Gerber and Arlene Leitig.

Mrs. Tina Gerber and Arlene Leitig attended a wedding at Twin Lakes, Wis., Saturday.

Mr. and Mrs. Frank Slazes, Sr. and family of Lake Villa, Mr. and Mrs. Leif Larson of Chicago and a number of other relatives from Antioch, Waukegan and Lake Villa attended a baptismal supper at the home of Mr. and Mrs. Elmer Sheehan for little Richard Larson. He is the grandson of the Sr. Slazes and the Larsons of Chicago.

The Lake Villa unit of the Salvation Army plans to take gifts to 36 patients at the Lake Villa Rest home again this year.

Dances, Social Affairs Planned For Fox Lake Hills Near Holiday

By Jim Jankowiak
Fox Lake Hills Correspondent
FOX LAKE HILLS—Plans for dances and social affairs are in the air in the Fox Lake Hills subdivision, with all the local organizations planning something or other for themselves and the other residents.

The Teen club is selling tickets for its last big social affair of the year. The Christmas dance, as it is called, will be held on Monday, Dec. 28, at the American Legion hall on north Route 12 in Fox Lake. The dance will begin at 8 p.m. and end at 12 p.m.

Music will be provided by the Rualites, a rocking band that plays all types of music from Rock and Roll to waltzes. The teenage public from the Antioch area is invited to attend.

The dance will be semi-formal. The Women's Auxiliary has announced that it is making plans for another dance, this one to be held in the spring. The last auxiliary sponsored dance, last autumn, was a huge success, so a repeat performance was requested by many folks in the subdivision.

As plans have not been formulated as to dates and places, no further information can now be added other than the fact that Mrs. Jan Carpenter will be the chairman.

The Sports club reports that its last social night was enjoyed by all members who attended. Walt Soderman, president of the club reports that more of the get-togethers are planned for the near future.

The Subdivision association will hold its monthly meeting this coming Monday night, Dec. 21, at the Lake Villa grade school gym. Residents are asked not to forget this date, as everyone should take an active interest in the doings of the Association.

We note that many people in the subdivision are gunning for the prize to be given by the Auxiliary, for the most appropriately decorated house. There are outdoor lights, Christmas scenes, holly wreaths and other decorations going up all over the three units of the Hills.

Mayor Amanda of Fox Lake and

Edward Tiede, town supervisor of Lake Villa, will be judges for selecting the best decorated home in the Fox Lake Hills area.

Three prizes will be awarded. The judging will be done on Tuesday, Dec. 22.

Those who haven't yet done any decorating, still have time to think of something and perhaps they will be the winner of one of the nice prizes.

Santa will make his annual tour on Dec. 24, starting about 1 o'clock at the beach house in Unit 2. Then he will continue over to Unit 3 and his last stop will be the Chesney area.

A round of applause should be given to Joan Anderson, Jan Carpenter, Bern Schwabel and Betty Rebar.

The committee has worked hard and planned a real treat for the kiddies. So all kiddies, be watching for Santa in your area, and receive the gift he has for you.

The Christmas carolers, under the direction of Mrs. Grace Weathers and Mrs. Alice Giovanetti will meet at the beachhouse on Tuesday, Dec. 22 at 6:30 p.m.

They then will proceed to all the units to sing Christmas carols for all the residents of the Fox Lake Hills area.

They've been promise hot chocolate and cookies as a treat from a neighbor in Unit 1 and Mrs. Weathers of Unit 3.

Harold D. Thurston Joins Air Force

Salem, Wis.—Harold D. Thurber, 17-year-old son of Mr. and Mrs. James M. Thurber of route 3, Salem, was among two recent Air Force recruits from the Kenosha area.

Thurber attended Salem Central high school.

He and the other recruit, Arthur P. Eide, 19, of Kenosha, were flown to Lackland Air Force base in San Antonio, Texas, for basic training.

Auto Mishaps Cause Injuries Near LV

LAKE VILLA—A Lake Villa vicinity resident, R. G. Pharr, 48, of routes 45 and 132, has been charged with reckless driving by Lake county sheriff's deputies after Pharr's car ran into a ditch last Saturday night.

The mishap took place on the Edic road about 100 feet south of the Millburn road. Pharr was taken to a Waukegan hospital for treatment. Mrs. Antoinette Supran, 51, of Chicago was hospitalized following an accident early Sunday on route 21 near Engle drive in Lake Villa.

Her husband's auto and one driven by Edward C. Tiemann, 25, of Chicago, collided. Her husband, Alex,

Practical Nurses Needed at Downey

Licensed practical nurses are urgently needed at Downey veterans hospital.

The beginning annual salary for this position is \$3495. No written test is required.

Applicants must have successfully completed a full-time program of study in practical nursing in an accredited school, be currently licensed, or show proof that application for a license has been made.

The salary is based on a 40-hour work week.

For additional information, write to the placement officer, VA Hospital, Downey (near Waukegan), Ill., or telephone Ontario 2-1900, extension 425.

Responsibility Law Explained In New Leaflet

SPRINGFIELD — Secretary of state Carpenter's office is issuing a leaflet which explains to motorists the amended Financial-Responsibility Law effective Jan. 1, 1960.

The leaflet is enclosed in mailed license plate envelopes and distributed at over-the-counter sales.

"This leaflet gives motor vehicle owners and operators the information they need about the essential points of the law," Carpenter said. "It may save them unnecessary expense and also serve to protect them against drivers who are inclined to be irresponsible in their automobile operations."

Under the law as it was amended by the 1959 session of the general assembly, owners and operators involved in accidents that result in the death or injury of a person or persons, or in property damage of \$100 or more to a vehicle, must furnish proof of their ability to meet possible damage claims up to \$25,000.

Unless public liability and property damage insurance are in force at the time of the accident, proof of future financial responsibility must be established by depositing cash sufficient to cover the damages, but not less than \$200.

Also by filing a bond in the amount of \$25,000; by filing evidence that a court has held owner or operator to be not liable.

Or by filing written statements from all other parties involved in the accident that the owner or operator is not liable.

If none of those conditions can be met, the owner or operator must surrender his driver license and the license plates and registration cards for all vehicles owned by him, and he will remain suspended until the damages have been paid, a court has found him not liable or two years elapse without any litigation.

Duncan-Hines Firm Suggests '19th Hole'

The "19th Hole" near Antioch has received national recognition in the silver anniversary edition of the Duncan-Hines Travel book, "Adventures in Good Eating," just published.

Roy H. Park, editor-in-chief of the Duncan-Hines Institute, publisher of the travel books, made the announcement this week.

The "19th Hole" is one of 4,600

eating places in North America "Recommended by Duncan-Hines."

Other Duncan-Hines books are the companion Travel Book "Lodging for a Night," also newly republished, and the Duncan-Hines guide to resorts and holiday spots, "Vacation Guide."

"This edition marks our 25th anniversary of service to the American traveling public," Park stated. "In 1935, the first 'Adventures in Good Eating' launched a new and unique publishing venture, one that has pioneered in upgrading the standards of service offered the American traveler."

Antioch Farm Sells Bull to Canadians

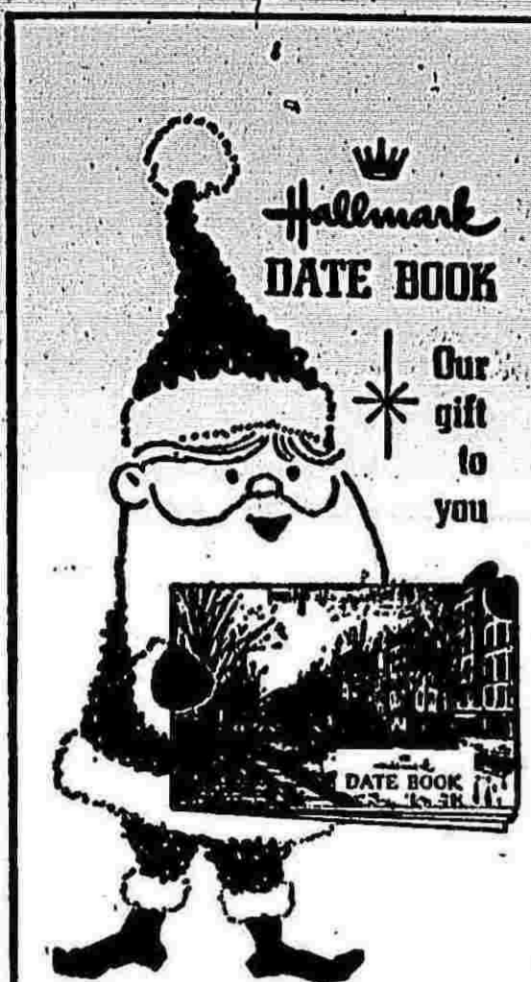

BRATTLEBORO, Vt.—Robert L. Hunter of Ravenslen farm, Antioch, Ill., recently exported a registered Holstein bull calf to Canada.

Ravenslen Master R. Triune 1350480 is now enroute to his new home in the herd of Herve Huseau, Oka, Quebec, Canada.

In announcing the transaction, the Holstein-Friesian association of America reported that expert demand for seed stock has been on the upswing for several months.

So far this year, more than 900 registered Holsteins have been officially transferred to new owners in other countries.

The Photography club is now developing pictures from members' own negatives.

Forensics club held a meeting on Wednesday. Plans for the year were discussed.

At a recent meeting of the Schoolmasters' club, officers for the ensuing year were chosen. These officers include: Joseph Ferrar, president; Lou Valente, vice-president; John Fisher, secretary, and Ralph Antes, treasurer.

A tentative agenda for the monthly meetings was presented to members. The agenda was approved and chairmen for the monthly meetings were chosen.

At the next meeting president Ferraro will select teachers who will be members of the discussion panel for the Community club meeting to be held on Jan. 18.

Christmas decorations are in evidence throughout the building, each room decorated by the teacher or by some club.

Bill Becker has returned to his home from the Kenosha hospital. He is still unable to return to school.

School will close for the holiday season on Wednesday, Dec. 23. It will reopen on January 4.

PTA Magazine Is Suggested As Christmas Gift

"Let me help you with a most appropriate Christmas gift for the home, parents, leaders of clubs, teachers, students and others who are interested in workshop, health, home and family life, citizenship and the like."

Those are the words from the Antioch Township high school Parent-Teacher association this week as the group continues a drive to sell subscriptions to "National Parent-Teacher," the PTA magazine.

"It is a perfect gift for doctors, dentists, barbers, beauty shop operators, Sunday school teachers, church missionaries serving in this country and abroad, or for the new mother in the hospital or as a baby shower gift."

"The subscription fee is nominal and what nicer gift than to be remembered each month as the magazine is received."

The high school PTA's campaign for membership is based to a large extent on the sale of this magazine.

Subscribers will receive the "National Parent-Teacher" for 10 months.

Those people wishing to subscribe or obtain further information may call or write to Mrs. George Ptack, 108 Oakwood drive, Antioch.

"Antioch Hi Chatter"

By Miss Marie Jasien
Antioch High Reporter

These last few days before Christmas are hectic and busy. The seniors are working hard on their senior class sponsored Christmas formal.

This dance will be held in the boys' gym Dec. 23 from 8 to 11:30 p.m. and it is open to the public. The theme is "Holly Daze," which is a play on the word "holidays."

There are five senior girls and boys who are vying for the crowns of the king and the queen.

Those who are in the court are Sharon Berke, Norma Brown, Trudy Good, Marge Lehman, and Sue Owens.

The boys are Sig Nielsen, Dan Seyfarth, oe LoRusso, Wes Merryman and erry Dahlman.

The queen and king will not be known until the night of the dance.

They will be crowned by last year's royal pair, Ione Cribb and Brian Cain.

The tickets can be bought from any senior on the executive board. They will also be on sale at the door the night of the dance.

The dance is usually held on the Saturday before Christmas, but this year the basketball schedule prevents this, which explains the Wednesday date.

The fighting Sequoias are still undefeated after five games. Here's hoping the winning streak lasts all season.

Mr. Jachino, our American Government and World History teacher, met with an accident Tuesday morning.

It's too bad it happened, but the students are ggled he was not hurt.

Orders for "Sequoia" Now Being Received

Orders for the Antioch Township high school annual "Sequoia" are being taken by members of the publication's business staff, it was announced this week by business manager Bob Wozniak.

These orders may be placed in the school cafeteria during lunch hours or from members of the business staff.

The staff said this year's "Sequoia" will be quite different and "all new," as compared to other editions of the annual.

Adults wishing to order the annual may do so by contacting one of the business staff.

Delivery of the annual is scheduled next spring.

Three rudders are required to maneuver the more than one-quarter mile long super carrier USS Forrestal.

Large, Appreciative Audience Enjoys Concert at Grade School

A very appreciative audience enjoyed to the fullest the sixth annual Christmas concert presented by the Antioch grade school bands and chorus at the school gymnasium Sunday afternoon.

From the opening choral presentation of "The Homeland" by the girls' chorus to the popular and familiar songs from "South Pacific" presented by the senior band, the 500 or so parents, other adults and children were treated.

The program was varied with the Christmas music included, especially in the vocal selections, along with the less difficult selections played by the junior band and the more difficult ones by the senior group.

There were not many empty seats on the floor and few in bleachers along the sides of the gymnasium.

Humor was injected into at least one band selection with "grunts and groans" coming from the children on stage as they presented with vocal and instrumental emphasis the "Mambo March."

DIRECTING THE choral groups was Mrs. Margaret Aschenbrenner, while the bands were led by George Olisar.

John M. Jessup provided a humorous as well as serious commentary on the musical program in introducing the selections heard.

Senior band officers are June Behrens, president; Wayne Hanke, vice president; Susan Polley, librarian; Ernest Westlund, treasurer; Jerry Berke, secretary; Jill Thompson and Gloria Wiegart, assistant librarians.

Jack Bairstow Is Candidate For Election

WAUKEGAN—State Rep. Jack Bairstow (D—Waukegan) Wednesday announced that he will be a candidate for re-election to the Illinois general assembly in the April 12 primary next year.

Bairstow, who will be seeking his fifth consecutive term in the assembly from the 31st District, Lake county, started circulation of his primary petitions this week.

A veteran Waukegan attorney with 30 years in the courts of Lake county, Bairstow last year was chairman of the constitutional revision committee of the house.

He also served in key positions in the general assembly as chairman of the judicial advisory committee, which he helped to establish in 1957.

Out of council's recommendations came plans for revamping the justice of the peace court system in Illinois.

The constitutional revision committee, Bairstow said, aims to establish a more fair and equitable system of taxation in Illinois.

The committee will concentrate its efforts, he said, to relieve the tax burden on real estate.

Bairstow is a former corporation counsel of the city of Waukegan and from 1942 to 1946 was chairman of the Lake county Democratic central committee.

Bristol Man Leader

BRISTOL, Wis.—Wendolyn Reiter of route 1, Bristol, was toastmaster for the recent dinner meeting of the Farm Bureau-Pure Milk organizations at White Oaks, Bohner's Lake.

Reiter is president of district 4 of the Pure Milk association, which was host to the dinner session.

Antioch Man Named As a Scout Leader

Henry Kirchner of Grayslake has been appointed scoutmaster of the Troop from Northwest district by the North Shore area council jamboree committee.

James Bruski of Antioch and Edward C. Trinko, Libertyville, were appointed as assistant scoutmasters to give leadership for the troop.

Adolph Geisler, Mundelein, Northwest District jamboree chairman stressed the importance to all boys from Northwest district interested in attending the jamboree to make reservations early.

Their reservations can be assured if they get their application into the council office prior to Jan. 1, 1960.

MERRY CHRISTMAS

The Antioch News

10c PER COPY First in Service to Readers THURSDAY, DECEMBER 17, 1959 ANTIOCH, ILLINOIS First in Results to Advertisers VOL. LXXIV. NUMBER 25

The Christmas Story Told In Newspaper Style Today

It is a pleasure this week to call attention to readers of the ANTIOCH NEWS and the LAKE REGION NEWS the full page news report on the first page of the second section about the birth of Christ which we celebrate Dec. 25.

The "news" stories were written by Protestant and Catholic clergymen of Antioch and vicinity at the request of the editors. The items are being run with only minor editing from what these men wrote.

The idea for the page was taken from a newspaper trade paper which showed how another weekly paper used the same idea in reporting the news of Christ's death on the cross and His resurrection.

It was the aim of the publishers of the ANTIOCH NEWS and the LAKE REGION NEWS to publish the "news" of Christ's birth as it might have been presented in the year 1 A.D., and the day of His birth. We believe it is the first time a newspaper in this area as well as in Antioch has published the Christmas story in this way.

Post Office Business Declines; Many Shoppers Roaming Streets

POST OFFICE

"Business" at the Antioch post office dropped off considerably this week from a peak of 30,000 cancellations reached early last week, but shoppers still roaming the business district indicated "business" there is still good.

Postmaster Roy Kufalk said that the 30,000 cancellations reported last week Tuesday were tops. Since then these have dropped off to 28,000, 25,000 and 23,000 on down to about 7,000 for this week Tuesday.

This would indicate Antioch and vicinity people, at least, had taken the post office's request of "mail early" literally.

Kufalk said last week the local postoffice then had set a record for Christmas stamp sales and cancellations.

However, the 30,000 or less cancellations were only from letters-as packages are cancelled by hand. The letters go through a machine too small to handle most packages.

No estimate could be made on the number of packages handled by the local post office.

The playing of Christmas music over the loudspeaker system in downtown Antioch during the Christmas shopping period plus decorations in windows, the community tree near the Rescue Squad building, and other decorations gave the community a real Christmas atmosphere.

The home decorations committee of the local Moose lodge will start its judging of Christmas decorations at 7 p. m. Sunday, Dec. 27. Three prizes will be awarded.

These awards can be seen in the window of the Antioch News office. Mrs. Catherine Avery of the Moose, and John Rohde of the Men

of the Moose, are co-chairmen of the civic affairs committee which is sponsoring the contest.

A ride around the village any evening will see a wide variety and large number of home Christmas displays. And in addition there are many in the rural areas nearby.

Fire Damages House in LV

LAKE VILLA—Damage estimated at \$2,250 was done to the Richard A. Motley residence in the Petite Lake Park subdivision of Lake Villa Sunday when fire of undetermined origin damaged a bedroom.

Firemen from Lake Villa said that several .32 caliber shells lying on the bedroom floor exploded during the blaze.

Mrs. Motley discovered the fire when she smelled smoke and found the bedroom on the south side of the residence filled with smoke. The fire burned up a wall and ceiling and across the floor to a bed.

There was some smoke damage throughout the house.

Early Copy, Please!

Please mail, bring or phone your news items to the Antioch News and the Lake Region News by Monday for next week's paper.

Correspondents are reminded that the papers will be printed earlier due to the Christmas holiday. News copy should be in the Antioch office or at Trevor (for Lake Region News) Monday morning, if possible.

The Antioch News will come out on Tuesday, Dec. 29, and the Lake Region News, also published by Gaston Printing Co., on Wednesday, Dec. 30.

Advertising copy, both display and classified, also should be in early to be sure of making the two papers.

School Board, Architects Meet on Building Delayed

A meeting between the Antioch high school board, a school architect and state department of public instruction officials has been postponed to a date early next year, possibly in February.

It has been hoped that these people would get together Dec. 30, but a conflict of events together with it being near a holiday or two, changed the date.

A meeting of the school board-teacher salary committee has been called for 8 p.m. Wednesday, Jan. 6, the high school board was told at its monthly meeting last week.

E. R. Prossie reported briefly on what the joint committee discussed and what progress had been made. The board will consider the salary matter at its Jan. 20 session.

It was voted to hire one person to do adult clerical work so some of the high school teachers with heavy loads can have more time to teach.

This person would be paid \$1.50 an hour and work two days a week. If the plan works, another adult may be hired.

He or she would operate duplicators, copy data on forms and records, check tests, workbooks and papers, type library sheets and cataloging cards, administer some tests and type materials and tests.

Prior to the opening of school last September, two clerks were employed by the board to help the school librarian. These were paid \$1.50 an hour.

The board also voted to hire a woman to work a 5-day week at the school at \$1.50 an hour for the school year as a matron. Her hours would be from 12 noon to 5 p.m.

An advertisement seeking such a woman is in this week's issue of the Antioch News.

High school buses will continue to pick up children living less than 1½ miles from school "under certain conditions," the board decided.

But the board stressed that it could order such bus stops ended at any time.

Mr. and Mrs. D. B. Baldwin of Hampshire, Ill., were Sunday guests of Mrs. Frank Runyard of Channel Lake.

Mrs. Ben Burke of Antioch left Monday for a few weeks visit with friends in Mexico.

R. Guy Hughes Dies at Home

Private funeral services were conducted last Saturday afternoon for R. Guy Hughes, 80, of Antioch who died last Thursday evening at his home at Savage and Pollock roads in Antioch Township after a brief illness.

Strang funeral home of Antioch was in charge of arrangements with Rev. L. H. Messersmith of the Millburn Congregational church officiating. Burial was in the Millburn cemetery.

Friends called at the funeral home from 3 p.m. Friday to noon Saturday.

Mr. Hughes was born on March 1, 1879 in Antioch Township and had lived in that township all his life.

His parents, John H. and Liza Jane (Strang) Hughes also were born and lived in the county all their lives.

He married Gussie Thain on Oct. 30, 1906 at Millburn. He was a member of the Millburn Congregational church and the Lake County Farm Bureau. He had been a farmer by occupation.

Surviving are his widow, Gussie; two sons, Gordon T. of Antioch and Oliver R. of Antioch; two daughters, Mrs. Elizabeth Stern of Zion and Mrs. Gertrude Paterson of Libertyville; a brother, Carl D. Hughes of Lake Villa; 11 grandchildren and nine great grandchildren.

Homemakers Meet

Twenty members of the Antioch Homemakers met last Thursday, Dec. 17, for a potluck luncheon and Christmas party at the home of Mrs. Clarence Spiering.

Gifts were exchanged and games were played.

Their next meeting will be on Jan. 27, at the home of Mrs. Frank Hennig, Channel Lake.

Board Expects 60 More Pupils Next September

What to do with the expected increase in enrollments at Antioch Township high school in the coming years and especially starting in September 1960 continues to be the principal topic of the high school board these days.

The board at its meeting last Wednesday evening approved a modified shift program with the idea of making use of the school auditorium as a study hall and converting room 4 into a combination room.

Room 4 under the plan would become a combination choral and lecture classroom.

The modified shift program would mean eight periods a day of classes instead of the present seven with the first one starting at 7:50 a.m. and the last one ending at 3:45 p.m.

These eight periods would include four lunch periods as now.

BY DEVELOPING an eight period schedule the high school office would have one more period of 22 classrooms for scheduling purposes, (continued on page 6)

Mary Golden Dies at 78

Mrs. Mary Golden, 78, a resident of Antioch for 42 years, died at her home at 998 Victoria St. last Friday after a brief illness due to a heart ailment.

She was born Feb. 7, 1881 in County Mayo, Ireland, coming to the United States 53 years ago to settle in Chicago. She moved to Antioch 42 years ago.

Her husband, Michael, preceded her in death in 1945.

She was a member of St. Peter's church in Antioch and of the Altar and Rosary society.

Surviving are a daughter, Mrs. Margaret Webb; two brothers, John McDonough of Antioch and Pat of County Mayo, Ireland; three sisters, Ann Gallagher and Bessie Mastyn of Chicago and Alice Harvey of Antioch; a granddaughter, Mary Rose Griffin of Antioch, and two great-grandchildren.

Funeral services were held at 10 a. m. Monday at St. Peter's church with Strang funeral home in charge. Burial was in All Saints cemetery, DesPlaines.

C of C Plans Ladies Night

The annual ladies' night and guest night of the Antioch chamber of commerce will be held the evening of Saturday, Jan. 9, at Smart's Country House, it was announced this week.

Vic Perry of television fame will be a highlight of the program.

Those wishing to make reservations are asked to contact Betty Meyer or Bob Calloway.

Ex-Resident Faces Check Theft Charge

WAUKEGAN—A former resident of Antioch, Clark V. Harrison, 47, of 928 Westmoreland Ave., Waukegan, was arrested last Friday in Waukegan and charged with passing 200 stolen checks over the past two years.

Waukegan police said they believed Harrison took the checks from the U.S. mails and passed some of them at Waukegan business houses. He was turned over to special agent Joseph Paocella, Jr. of the U. S. secret service.

CENTERPIECE CONTEST. These girls were winners in the annual Christmas centerpiece contest of Girl Scout troop 31 in Antioch held last Wednesday evening in the Antioch grade school cafeteria. Some 30 such centerpieces were made by as many girls for the contest. The judges said afterward it was "very difficult" to decide which should win prizes. Girls standing in back of the table are, from left, Carol Gilio, first prize; Susan Lindblad, second; Kathy Gaston, third; Margo Nader, honorable mention. Judges were Mrs. Homer White, Mrs. Ray Bruhn, Mrs. Robert Jonas Mrs. Robert Gaston, Miss Joyce Baber. (Antioch News photo)

"Antioch Hi Chatter"

By Miss Marie Jasien
Antioch High Reporter

These last few days before Christmas are hectic and busy. The seniors are working hard on their senior class sponsored Christmas formal. This dance will be held in the boys' gym Dec. 23 from 8 to 11:30 p.m. and it is open to the public. The theme is "Holly Daze," which is a play on the word "holidays." There are five senior girls and boys who are vying for the crowns of the king and the queen. Those who are in the court are Sharon Berke, Norma Brown, Trudy Good, Marge Lehman, and Sue Owens. The boys are Sig Nielsen, Dan Seyfarth, or LoRusso, Wes Merryman and Erry Dahlman. The queen and king will not be known until the night of the dance.

They will be crowned by last year's royal pair, Ione Cribb and Brian Cain. The tickets can be bought from any senior on the executive board. They will also be on sale at the door the night of the dance. The dance is usually held on the Saturday before Christmas, but this year the basketball schedule prevents this, which explains the Wednesday date. The fighting Sequoias are still undefeated after five games. Here's hoping the winning streak lasts all season. Mr. Jachino, our American Government and World History teacher, met with an accident Tuesday morning. It's too bad it happened, but the students are glad he was not hurt.

Orders for "Sequoia" Now Being Received

Orders for the Antioch Township high school annual "Sequoia" are being taken by members of the publication's business staff, it was announced this week by business manager Bob Wozniak. These orders may be placed in the school cafeteria during lunch hours or from members of the business staff. The staff said this year's "Sequoia" will be quite different and "all new" as compared to other editions of the annual. Adults wishing to order the annual may do so by contacting one of the business staff. Delivery of the annual is scheduled next spring. Three rudders are required to maneuver the more than one-quarter mile long super carrier USS Forrestal.

Large, Appreciative Audience Enjoys Concert at Grade School

A very appreciative audience enjoyed to the fullest the sixth annual Christmas concert presented by the Antioch grade school bands and chorus at the school gymnasium Sunday afternoon. From the opening choral presentation of "The Homeland" by the girls' chorus to the popular and familiar songs from "South Pacific" presented by the senior band, the 500 or so parents, other adults and children were treated. The program was varied with the Christmas music included, especially in the vocal selections, along with the less difficult selections played by the junior band, and the more difficult ones by the senior group. There were not many empty seats on the floor and few in bleachers along the sides of the gymnasium. Humor was injected into at least one band selection with "grunts and groans" coming from the children on stage as they presented with vocal and instrumental emphasis the "Mambo March."

DIRECTING THE choral groups was Mrs. Margaret Aschenbrenner, while the bands were led by George Olislar. John M. Jessup provided a humorous as well as serious commentary on the musical program in introducing the selections heard. Senior band officers are June Behrens, president; Wayne Hanke, vice president; Susan Polley, librarian; Ernest Westlund, treasurer; Jerry Berke, secretary; Jill Thompson and Gloria Wiegart, assistant librarians. Jack Bairstow Is Candidate For Relection

WAUKEGAN—State Rep. Jack Bairstow (D-Waukegan) Wednesday announced that he will be a candidate for re-election to the Illinois general assembly in the April 12 primary next year. Bairstow, who will be seeking his fifth consecutive term in the assembly from the 31st District, Lake county, started circulation of his primary petitions this week. A veteran Waukegan attorney with 30 years in the courts of Lake county, Bairstow last year was chairman of the constitutional revision committee of the house. He also served in key positions in the general assembly as chairman of the judicial advisory committee, which he helped to establish in 1957. Out of council's recommendations came plans for revamping the justice of the peace court system in Illinois. The constitutional revision committee, Bairstow said, aims to establish a more fair and equitable system of taxation in Illinois. The committee will concentrate its efforts, he said, to relieve the tax burden on real estate. Bairstow is a former corporation counsel of the city of Waukegan and from 1942 to 1946 was chairman of the Lake county Democratic central committee.

Bristol Man Leader

BRISTOL, Wis.—Wendolyn Reiter of route 1, Bristol, was toastmaster for the recent dinner meeting of the Farm Bureau-Pure Milk organizations at White Oaks, Bohner's Lake. Reiter is president of district 4 of the Pure Milk association, which was host to the dinner session.

Antioch Man Named As a Scout Leader

Henry Kipchner of Grayslake has been appointed scoutmaster of the Troop from Northwest district by the North Shore area council jamboree committee. James Bruski of Antioch and Edward C. Trinko, Libertyville, were appointed as assistant scoutmasters to give leadership for the troop. Adolph Geissler, Mundelein, Northwest District jamboree chairman stressed the importance to all boys from Northwest district interested in attending the jamboree to make reservations early. Their reservations can be assured if they get their application into the council office prior to Jan. 1, 1960.

Trevor People Enjoy A Trip

By Mrs. Grace Miller
Trevor Correspondent
Mr. and Mrs. George Wilen have returned from a motor trip to Superior where they drove many miles along the shores of Lake Superior to the Canadian border. Mrs. Elvira May and Mrs. Dorothy Swanson were Saturday callers at the Willis Sheen home. Mrs. Miller returned home with them. Mr. and Mrs. Alfred Oetting were callers at the Chas. Oetting home Sunday. Mrs. Nell Runyard, Mrs. Ray Newhouse and Mrs. Antioch were at Honey Bear for supper Thursday night. Jim McAnsh and nephew Bennett Boeter, were supper guests at the Nell Runyard home Sunday evening. Miss Mary Sheen accompanied Mrs. George Wilen to Elkhorn, Wis., on a shopping trip.

In cold weather your battery becomes less efficient. Lights, radio, heater, defrosters, and frequent stops and starts in slow traffic tend to weaken a battery. Have it checked once a week.
